Animals at Night - Anne Jankeliowitch 2017

"A glow-in-the dark reference book that helps the reader learn about nocturnal animals. What hides in the deep darkness of the night under the starry sky? What does the light of the moon shine upon? At night, we can see their glowing eyes in the dark. But, what are they? Easy: they are nocturnal animals! The bonus of this book: thanks to a phosphorescent system of glow-in-the-dark images, the reader sees different elements appear such as animals, stars, lights,

and other background features."--

2012-04

Virginia has escaped her year-long imprisonment with her son, Santan. She hopes to raise him to be a good, moral man. Santan, however, is sensitive to sunlight, and he has trouble with solid food. He is the half-human, half-vampire child of Virginia and her former captor, Count Basarab Musat, king of the vampires-and Virginia knows that one day, the boy's father will come for him. For the time being, the count is busy in his home country of Transylvania. There is the potential for a family disaster, and he is the only one strong enough to pick up the pieces. Even, in the midst of the drama, he feels he may be losing his passion for the kill. He hunts the streets, searching for blood to rekindle his lust for the living. In the back of his mind, he considers Virginia and his son, but he cannot return to them yet. Far away, Virginia has her own troubles. Her last night with the count left a gift: she is pregnant with another of his offspring. She is haunted by dreams of Basarab. At first, they are infused with light and love, and she believes she may be able to rekindle her

relationship with the count. But soon, the dreams turn dark, and her fear returns. Virginia is being hunted, and the count may be the only monster strong enough to keep her safe.

**The Beach at Night** - Elena Ferrante  
2016-11-01

A "beautifully written" dark fable from a doll's point of view—by the New York Times–bestselling author of *The Lost Daughter* and the Neapolitan Novels (*The Washington Post*). One of NPR's Best Books of the Year. Readers of Elena Ferrante's *The Lost Daughter* may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll's perspective. Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . . "Everyone should read anything with Ferrante's name on it." —*The Boston Globe*  
**Children of the Night** - Zan Safra  
2021-10

For fans of the most famous gothic monsters comes a fantastical YA retelling. Venice, 1865: Sixteen-year-old Ayanda Draculesti doesn't remember her early life—all she knows is that she was found as a small child, wandering the streets of Venice with an intricate medallion and a mangled left arm. She knows that she's an Unnatural, an alchemical being created with strange abilities. She knows that if anyone finds out, she'll die at the hands of an angry mob. But Ayanda is unique even among Unnaturals—even though she's alive, she has the powers of a vampire. She has the strength and speed to battle them, and most importantly, the will. She won't let another child die. Ayanda isn't the only young Unnatural in Venice. Ghostly Yurei is in hiding, fleeing the captors determined to turn him into an assassin. Jette Jekyll and Belle Frankenstein are on the run from alchemists who want them dead and dissected. Their paths and Ayanda's collide when a brutal enemy surfaces that threatens them all: one of the Greater Dead, a vampire that slithers through Venice murdering everyone she encounters. This vampire isn't on the hunt. She has plans, more sinister and dangerous than anyone can imagine. Ayanda is determined to stop this Dead creature before she kills again. Yurei, Jette and Belle

aren't. Why should they risk their lives to save people who see them as monsters? All they've ever known is hate and fear. They owe the world nothing. But Ayanda can't defeat a Dead creature alone.

*Children of the Night* - Dan Simmons 2012-12-11  
"Simmons writes like a hot-rodding angel."  
-Stephen King An evil legacy comes to life in this classic and ultimately human novel about believable vampires, featuring a brand-new introduction by Dan Simmons. *Children of the Night* will take you to a place that no one

knows—yet all of us fear. In a desolate orphanage in post-Communist Romania, a desperately ill infant is given the wrong blood transfusion—and flourishes rather than dies. For immunologist Kate Neuman, the infant's immune system may hold the key to cure cancer and AIDS. Kate adopts the baby and takes him home to the States. But baby Joshua holds a link to an ancient clan and their legendary leader—Vlad Tsepes, the original Dracula - whose agents kidnap the child. Against impossible odds and vicious enemies—both human and vampire - Kate and her ally, Father Mike O'Rourke, steal into Romania to get her baby back. "A mesmerizing tour through the ghostly, gray tatters of Romania." -Publishers Weekly  
"Simmons gives a chilling description of post-Ceausescu Romania and neatly ties the vampire legend into political history to create a new and clever twist to the idea of the vampire's craving for blood." -Library Journal  
"His best novel ever... Toothsome well written." -Kirkus  
"Brilliant ideas... The most rigorous and interesting scientific rationale for vampirism I've ever seen... You keep turning the pages." -Locus  
*Night of the Homework Zombies* - Scott Nickel 2006

*Tell Me Again About the Night I Was Born* - Jamie Lee Curtis 1996-07-19

Tell me again about the night I was born . . . Tell me again how you would adopt me and be my parents... Tell me again about the first time you held me in your arms . . . In asking her mother and father to tell her again about the night of her birth, a young girl shows that it is a cherished tale she knows by heart. Jamie Lee Curtis and Laura Cornell come together once again to create a unique celebration of the love and joy a baby brings into the world. *Tell Me Again About the Night I Was Born* is a heartwarming story, not only of how one child is born but of how a family is born.

**While You're Sleeping** - Mick Jackson  
2020-09-08

A New York Times Best Illustrated Children's Books award 2021 winner and runner-up at the Queen's Knickers award 2022. Have you ever

wondered what's happening in the world while you're asleep in your bed? There's a whole world of activity out there - from bakers preparing bread and cakes for your table and firefighters waiting patiently for a call, to hospitals helping people have babies and caring for those who are ill. There are lorry drivers making deliveries of food, flowers, toys and more, and postal workers sorting the mail for your morning delivery. There's also wildlife such as foxes foraging, bats flying, and owls hunting for prey. And then around the world there are children who are playing, learning, eating and reading while you're tucked up fast asleep. This is the perfect book for bedtime, opening up a whole world of wonder and imagination for children, and providing food for the imagination if they wake in those early hours. Beautifully written, with lyrical prose, the illustrations are packed with detail.

**The Night Knights** - Gideon Sterer 2018-05-01  
Nighttime can be scary. Every bump, thump, or scratch could be a monster lurking under the bed or in a closet. But if that's the case, then why haven't we ever seen a monster? You might think that's because monsters don't exist. But maybe monsters do exist . . . but so do something else: The Night Knights. And when night falls, they take their place, protecting us all from the terrors lurking in the dark. With a lyrical text reminiscent of the bestseller *Dream Animals*, *The Night Knights* introduces reluctant sleepers to the many fantastical warriors who will protect them while they slumber, from the Guardians of Gates to the Midnight Flock.

**Children of the Night** - Gloria Naylor  
1997-02-01

In 1969, Little, Brown and Company published *The Best Short Stories by Black Writers*, edited by Langston Hughes - the classic compendium of African-American short fiction from 1897 to 1967. Now, a quarter of a century later, Gloria Naylor has compiled an encore volume, *Children of the Night*, bringing this extraordinary series up to date. Gathering together the most gifted black writers of our time - from 1967 to the present - Naylor has assembled a rich and varied collection of stories. The portrait that emerges of the African-American experience in the post-Civil Rights era is stirring, compelling, sometimes disturbing, and certainly provocative.

Naylor has arranged the stories thematically so the reader focuses on a particular subject - slavery, for example, or the family. In the hands of different writers, these themes provide a wealth and variety of human experience. The stories are more than testimonies of the long battle for survival. From a young woman's struggles with her barren faith in Alice Walker's lyrical "The Diary of an African Nun" to an innocent man's involvement in a horrifying act of violence in Ann Petry's "The Witness", they are, as Naylor states in her introduction, "examples of affirmation: of memory, of history, of family, of being". They are stories for all of us "at the beginning: of mankind as a species; of America as a nation; of the African-American as a full citizen".

*The Night You Were Born* - Wendy McCormick  
2000

As he waits at home with his aunt for his baby sister to be born at the hospital, a young boy hears what his aunt did while waiting for him to be born.

**They Took the Kids Last Night: How the Child Protection System Puts Families at Risk** - Diane L. Redleaf 2018-11-02

This account of six families whose children were wrongly seized by child protection services vividly illustrates the constitutional balancing act where medicine, family interests, and child safety can clash. • Illustrates how the mantra "best interests of the child" masks errors, assumptions, and stereotypes that hide the real harm child protection policies are doing to children and families • Reveals how families are wrongly separated when overworked and underskilled caseworkers jump to conclusions of guilt, ignoring evidence of innocence • Focuses on the child protection system from the moment of intervention—starting with the child abuse hotline call that targets a specific child as a victim and his or her parents as suspects • Highlights the many decision points, attitudes, policies, and practices that operate to make even innocent parents vulnerable to having their children taken from them • Explains why basic due process principles ordered by federal and state courts would go a long way to help families, but cautions that just results depend on effective family defense counsel

*The Night Child* - Anna Quinn 2018-01-30

Nora Brown teaches high school English and lives a quiet life in Seattle with her husband and six-year-old daughter. But one November day, moments after dismissing her class, a girl's face appears above the students' desks—"a wild numinous face with startling blue eyes, a face floating on top of shapeless drapes of purples and blues where arms and legs should have been. Terror rushes through Nora's body—the kind of raw terror you feel when there's no way out, when every cell in your body, your entire body, is on fire—when you think you might die." Twenty-four hours later, while on Thanksgiving vacation, the face appears again. Shaken and unsteady, Nora meets with neurologists and eventually, a psychiatrist. As the story progresses, a terrible secret is discovered—a secret that pushes Nora toward an even deeper psychological breakdown. This breathtaking debut novel examines the impact of traumatic childhood experiences and the fragile line between past and present. Exquisitely nuanced and profoundly intimate, *The Night Child* is a story of resilience, hope, and the capacity of the mind, body, and spirit to save itself despite all odds.

**Every Night Is Pizza Night** - J. Kenji López-Alt  
2020-09-01

Best-selling author J. Kenji López-Alt introduces Pipo, a girl on a quest to prove that pizza is the best food in the world. Pipo thinks that pizza is the best. No, Pipo knows that pizza is the best. It is scientific fact. But when she sets out on a neighborhood-spanning quest to prove it, she discovers that "best" might not mean what she thought it means. Join Pipo as she cooks new foods with her friends Eugene, Farah, Dakota, and Ronnie and Donnie. Each eating experiment delights and stuns her taste buds. Is a family recipe for bibimbap better than pizza? What about a Moroccan tagine that reminds you of home? Or is the best food in the world the kind of food you share with the people you love? Warm and funny, with bright, whimsical illustrations by Gianna Ruggiero, *Every Night Is Pizza Night* is a story about open-mindedness, community, and family. With a bonus pizza recipe for young readers to cook with their parents, *Every Night Is Pizza Night* will make even the pickiest eaters hungry for something new.

*The Night Children* - Kit Reed 2009-09-01

Inside the Castertown MegaMall, the biggest mall in the world, live the night children—runaways, abandoned kids, kids who got lost and were never found. They only come out at night, after all the shoppers are gone. When thirteen-year-old Jule Devereaux visits the mall after the mysterious disappearance of her aunt, she becomes a pawn in the war between two gangs of night children: the Castertown Crazies, led by the stalwart Tick Stiles, and the Dingos, whose leader is the batty Burt Arno. What the night children don't realize is that the megalomaniacal owner of the MegaMall, billionaire Amos Zozz, knows all about them. To him, they are vermin—"rats" living in his beautiful mall—and he has plans to exterminate them. Julie, Tick, and Burt must join forces if they want to survive.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Way Home in the Night - Akiko Miyakoshi

2017-04-04

A gentle, dreamlike tale about heading home in the night. A mother rabbit carries her young bunny home through the dark, quiet streets. The lights are on in many of the animal neighbors' windows, so the bunny can see, hear and smell what's happening inside: a pie being pulled out of the oven, a party, a goodbye hug. When they reach home, the father rabbit tucks the bunny into bed. But the bunny continues to wonder about the neighbors' activities. "Are the party guests saying goodnight?" Will the one saying goodbye "take the last train home?" Until finally, the tired bunny falls asleep. The perfect story for the end of the day.

**The Abominable** - Dan Simmons 2013-10-22

A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young

Bromley must be dead, but his mother refuses to believe it and pays the trio to bring him home.

Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924

disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, *The Abominable* is Dan Simmons at his spine-chilling best.

**The Night of the Lights** - Penelope Walker-Quade 2020-06-15

The Webster's dictionary defines "mind" as "the part of a person that thinks, reasons, feels, understand, and remembers." The beautiful thing about children is that their minds are open to so many possibilities. They naturally problem solve, and discover solutions where adults often get stuck. This is the principle behind the series *Little Mind Books*. We explore problems and find creative solutions. Our goal is to inspire children to explore for themselves, not only in seeing themselves in the characters, but to feel like they are part of the adventures. In *The Night of the Lights* we join Sam on an adventure with Grandma "Gigi" to discover what the lights are in her garden. What Sam discovers is better than magic, it is real. Sam learns a lesson in problem solving, and also learns the importance of respecting the natural habitat of earth's creatures. Join us with your children in discovering this real magic, it may spark adventure in your own backyard!

*Child of the Silent Night* - Edith Fisher Hunter 1963

The story of a blind and deaf child who was taught by the Perkins Institute to make herself understood.
