Jolly Sally Pendleton; Or, the Wife Who Was Not a Wife - Laura Jean Libbey 2022-08-10
As Jay Gardiner drove down the village street

behind his handsome pair of prancing bays, holding the ribbons skillfully over them, all the village maidens promenading up the village

street or sitting in groups on the porches turned to look at him. He was certainly a handsome fellow; there was no denying that. He was tall, broad-shouldered, with a fair, handsome face, laughing blue eyes, a crisp, brown, curling mustache, and, what was better still, he was heir to two million of money. He was passing the summer at the fashionable little village of Lee, among the Berkshire Hills of Massachusetts. That did more to advertise the place than all the glowing newspaper items the proprietor of the Summerset House could have paid for. Every mother of a marriageable daughter who had heard of the millionaire managed to rake and scrape together enough money to pass the season at Lee. It was laughable to see how adroitly these mothers managed to secure an introduction, upon one pretext or another, to the handsome millionaire. Then the daughters were duly brought forward and presented. Everyone knew the story of Jay Gardiner. His lady-mother and elder sister lived in what was called the

Castle, the grandest and most famous homestead by far in Great Barrington.

Ghost Of A Chance - Cynthia Eden 2020-01-21

How well do you know the lover in your bed? It was the hottest hookup of her life. When Tess Barrett spent the night in the arms of the too sexy to be real stranger, she knew she was walking on the wild side. Sex with James Smith was the best EVER. How was she supposed to walk away from that? From him? So...she didn't. They planned secret dates. More body-melting hookups. The white-hot sex should have been enough. So why does she start wanting more? But they have rules. She has rules. No emotions. No ties. She has a past that is dark and twisted, and she's worked hard to become a new person. She's a doctor now. Respected. Controlled. Except...there is no control when she's around James. A bad guy...might be falling for the good girl. James can't keep his hands off his sexy little doctor. She's buttoned down for everyone else but goes absolutely wild for him. Sure, she doesn't know his history. Doesn't know that the

man she lets touch every inch of her body used to spend his days working for Uncle Sam and doing some seriously dirty deeds. What she doesn't know can't hurt her, right? And if she ever did learn the truth about him, he knew it would terrify his sweet doc right to her core. Terror would make her run. He doesn't want her running. He just wants her in his bed. But then...something happens. Danger sneaks up on Tess. She needs help—a very particular expertise and protective skill set. She needs someone lethal and strong...and James is just the man for the job. After all, lethal is his middle name. Hello, dangerous times. When James steps in, Tess doesn't know if she should be grateful or scared to death. Because her gorgeous lover? Turns out he has plenty of mad and dangerous skills. She's been hooking up with a superhero or...maybe a super villain. It's sort of hard to tell the difference. For the moment, she's going to go with feeling grateful...but as she learns all of his secrets,

Tess wonders what will happen next between them. Will they crash and burn? Burn, baby, burn. Or maybe, just maybe, they'll actually have a GHOST OF A CHANCE at getting a happily ever after ending. Author's Note: James Smith is one mad, bad, dangerous guy...but sometimes, bad guys fall hard for good girls. GHOST OF A CHANCE is super hot, charged with lots of feels, and, it's got some pulse-pounding action for you. Dirty words and dirty deeds are dead ahead. Oh, and there's plenty of fun thrown in, too. Mystery, humor, sexy times, and danger—all of my favorite things in a book.

Blackwood's Magazine - 1919

The Gnu's World - Richard D. Estes 2014-04-12

This is the first scholarly book on the antelope that dominates the savanna ecosystems of eastern and southern Africa. It presents a synthesis of research conducted over a span of fifty years, mainly on the wildebeest in the Ngorongoro and Serengeti ecosystems, where

eighty percent of the world's wildebeest population lives. Wildebeest and other grazing mammals drive the ecology and evolution of the savanna ecosystem. Richard D. Estes describes this process and also details the wildebeest's life history, focusing on its social organization and unique reproductive system, which are adapted to the animal's epic annual migrations. He also examines conservation issues that affect wildebeest, including range-wide population declines.

Pretend You Want Me - Cynthia Eden

2021-12-28

She fixes problems. There is no problem that Aspen Gray can't handle. No case that is too hard. No challenge too great. She's a rising star criminal defense attorney, and she intends to have the world at her feet...until a ghost from her past comes back to wreck her carefully designed plans. A ghost who should have been in the ground. And when a dead man comes stalking you, what's a woman to do? Let things

get Wilde. As soon as she sets foot in the elite protection and security firm known as Wilde, Aspen knows that she must tread carefully. Her life is on the line, and everything that she has worked so hard to achieve can be destroyed...unless one very talented and dangerous Wilde agent can help her out. She needs a man with exceedingly deadly skills—and she needs him now. He can practically see the secrets dripping from her... It should have been a standard undercover operation. Gideon Ranier knew the drill. He was supposed to play the role of his new client's boyfriend so that he could slip into her world, keep her safe, and unmask the jerk screwing around with her. Standard work. No big deal. Former Delta Force, he could do that type of job in his sleep. Except...he doesn't count on actually falling for his client. But he does. Hard, fast, and deep, and soon...there is nothing that he won't do for her. It's personal. Lines are crossed. Desire grows too strong. Their need won't be denied. But the attacks on

Aspen are mounting. As an obsessed killer plays a deadly game, Gideon will have no choice but to fight harder and dirtier than he's ever fought in his life in order to protect Aspen from a stalker hellbent on vengeance. Author's Note: He's dangerous. She's devious. They shouldn't want each other so badly, but they do. Close proximity, a deadly threat...adrenaline is pumping and the desire between Aspen and Gideon will not be controlled. He'll walk through hell to keep her safe...and, yes, he's pretty much gonna have to do just that. Sexy times, dangerous deeds, and a happy ending are guaranteed in this stand-alone read. Be on the lookout for secrets, because there sure are plenty of those coming your way!

The Jive Talker - Samson Kambalu 2022-08-25

A bawdy, brilliant and heartbreaking memoir by the award-winning Malawian-born artist. With exuberant prose, a cast of extraordinary characters and a rebellious spirit, Samson Kambalu tells the story of how a little boy obsessed with fashion, football, Nietzsche and Michael Jackson won a free education at the Kamuzu Academy ('The Eton of Africa') and began his long journey to art school, and international artistic and academic success. The son of a philosophising, hard-drinking, poorly paid hospital manager, Kambalu's award-winning conceptual work is now shown in galleries across the world and still evokes that childhood landscape of literary excitement,

family chaos and music; post-colonial injustice, poverty and Aids. 'A book filled with wonder, humour and hope. It is a magnificent achievement.' Aminatta Forna, Sunday Telegraph 'Read Kambalu, cry, clap your hands.' Iain Finlayson, The Times 'A truly original book.' Pride Magazine

A regimented ex-Army man drives an irresistible wedding planner from Cupid to Twilight in the next Twilight, Texas, novel from New York Times bestselling author Lori Wilde. You are cordially invited to a Twilight, Texas, Christmas Wedding! The town is decorated, the cookies are made, and the stage is set . . . for love. Wedding planner Aria Alzate has one goal: to give her best friend a perfect day. But after a bump on the head, she's under doctor's orders not to travel on her own. So she's stuck on the road to Twilight with upright, uptight Remington Lockhart in the driver's seat. True, Remy is one long, tall, Texas male, but the ex-military man never saw a rule he didn't like—making this one long road trip . . . Remy has left the military, but the military lifestyle has not left him. The

uncertainty this ex-paratrooper encountered during his tour of duty has convinced him that plans—combined with backup plans—will keep life under control. Aria is undeniably tempting, but her fly-by-the-seat of her pants attitude is never going to work. Then a sudden snowstorm strikes, and these opposites come together in a night of unexpected passion. And suddenly the magic of a Twilight, Texas, Christmas takes hold, proving that sometimes the best plan is to have no plan at all.
