The Canadian Magazine - J. Gordon Mowat 1907

Scandinavian Review - 2001

A PATHOLOGIST REMEMBERS - Alan Mills 2013-12

In parts a whimsical and entertaining story, in others an informative guide by a knowledgeable and much-respected professional in his field, this highly readable portrayal of Alan Mills' life and adventures is told in an appealing tone, rooted in the history of the times and places where he has practised his craft. A son of Southern Africa, the author has enjoyed a privileged life of good fortune. He has worked in Rhodesia (now Zimbabwe), England, South Africa, Australia and Ireland. Pathology has been his life. It was how he earned a living, and in retirement has become his hobby. In his autobiography he shares the highs and lows of his own long and interesting career in pathology, in addition to a well-researched guide to medical history. A framework of great medical advances is linked to Nobel Laureates, with comments on their lives. The role of the pathologist in medical research is stressed. The author has traced the evolution of human beings, from earliest life forms through our ancestral 'African Eve' in East Africa to the present day. This development is coupled with genetic information relating to such things as oncogenes and how they relate to cancer, and other diseases. This enlightening book has an easy, chatty style, and is not without humour and a little poetry.

Riding Star (Pony Club Rivals, Book 3) - Stacy Gregg 2011-03-31

There's more backstabbing and drama as loyalties are tested to the limit in the third episode of the high life at elite riding school, Blainford Academy. Georgie tests her skills on the polo field in the latest from the author of the bestselling pony series Pony Club Secrets.

Turf, Field, and Farm - 1897

Uncovering the Mysteries of God - Jeff Kinley 2011-08

How could Christ be fully man and fully God? If God is all - loving and all - powerful, why does he allow pain

and suffering? Although we have all heard these questions before, and perhaps asked them ourselves, Jeff Kinley presents these age - old questions in a new light, one that speaks to today's generation and their perspective on the world. Structured like a mystery novel, Uncovering the Mysteries of God has each chapter center on an issue or "case," as in Chapter 8: "Case of the Disappearing Bride - The Mystery of the Rapture" where Kinley examines what the Bible says about the return of Christ, treating it like a Missing Persons' File. For this generation of believers who are willing to linger in the unknown, Kinley does not really answer any of the questions he poses, but simply comes to them with fresh perspective, some hard facts, and a captivating style that will inspire readers to try and solve these mysteries for themselves.

The Canadian Magazine - 1907

The Chronicle of the Horse - 1970
