**The Thief** - Guy de Maupassant 2022-05-30

"The Thief" tells the tragic story of a soldier enamoured with life and with a girl as disquieting and wayward as she is beautiful. Through masterful storytelling within a story, Guy de Maupassant portrays a fiery and passionate romance, initiated in secrecy and heartbreakingly brought to light, when on one dark, fateful evening, the soldier is mistaken for a thief. With "The Thief", Maupassant calls upon the reader to question the nature of crime, the appropriateness of juridical punishment in nineteenth-century France, and the willingness to sacrifice everything in the name of love. Guy de Maupassant (1850-1893) was a famous French writer, best known as one of the finest practitioners of the short story. Master of style and dramatic narrative, Maupassant's stories mainly focus on the relationships between men and women, often found at the crossroads of life. One of his greatest influences was Gustave Flaubert, who introduced him to some of the central names of the time such as Emile Zola,

Henry James, and Ivan Turgenev. Some of his best-known works include the novels "Bel Ami" and "Une Vie", more than 300 short stories, travel books, and even an attempt at poetry.

Island of Sweet Pies and Soldiers - Sara Ackerman 2018-02-13

"A close-up look at how wartime chaos affects a tight-knit group of women living on Hawaii in 1944 at the height of Pacific combat.... [Violet's] journey overcoming her trials and grief through friendship, family, and romance is a story of strength and perseverance."—Booklist Violet Iverson and her young daughter, Ella, are piecing their lives together after the disappearance of her husband. As rumors swirl and questions about his loyalties surface, Violet believes Ella knows something. But Ella is stubbornly silent. Something—or someone—has scared her. With the island overrun by troops training for a secret mission, tension and suspicion between neighbors is rising. To get through the difficult days, Violet bands together with her close friends and they open a pie stand near the military base, offering the soldiers a little homemade comfort. Try as she might, Violet can't ignore her attraction to the brash marine who comes to her aid when the women are accused of spying. Desperate to discover the truth behind what happened to her husband, while keeping her friends and daughter safe, Violet is torn by guilt, fear and longing as she faces losing everything. Again. "A bittersweet story of cinematic proportions."—BookPage

**Liar, Temptress, Soldier, Spy** - Karen Abbott 2014-09-02

Karen Abbott, the New York Times bestselling author of *Sin in the Second City* and “pioneer of sizzle history” (USA Today), tells the spellbinding true story of four women who risked everything to become spies during the Civil War. Karen Abbott illuminates one of the most fascinating yet little known aspects of the Civil War: the stories of four courageous women—a socialite, a farmgirl, an abolitionist, and a widow—who were spies. After shooting a Union soldier in her front hall with a pocket pistol, Belle Boyd became a courier and spy for the Confederate army, using her charms to seduce men on both sides. Emma Edmonds cut off her hair and assumed the identity of a man to enlist as a Union private, witnessing the bloodiest battles of the Civil War. The beautiful widow, Rose O’Neale Greenhow, engaged in affairs with powerful Northern politicians to gather intelligence for the Confederacy, and used her young daughter to send information to Southern generals. Elizabeth Van Lew, a wealthy Richmond abolitionist, hid behind her proper Southern manners as she orchestrated a far-reaching espionage ring, right under the noses of suspicious rebel detectives. Using a wealth of primary source material and interviews with the spies’ descendants, Abbott seamlessly weaves the adventures of these four heroines throughout the tumultuous years of the war. With a cast of real-life characters including Walt Whitman, Nathaniel Hawthorne, General Stonewall Jackson, detective Allan Pinkerton, Abraham and Mary Todd Lincoln, and Emperor Napoleon III, *Liar, Temptress, Soldier, Spy* draws you into the war as these daring women lived it. *Liar, Temptress, Soldier, Spy* contains 39 black & photos and 3 maps.

**The Hello Girls** - Elizabeth Cobbs 2019-04-13

In 1918 the U.S. Army Signal Corps sent 223 women to France to help win World War I. Elizabeth Cobbs reveals the challenges these patriotic young women faced in a war zone where male soldiers resented, wooed, mocked, saluted, and ultimately celebrated them. Back on the home front, they fought the army for veterans’ benefits and medals, and won.

This is a filmography of not only all of the English-language movies made during the 1960s that had a theatrical release but major foreign films exhibited in the United States as well. The films are listed alphabetically and the following information is provided for each: year of release, nation of origin if other than the United States, production/distribution company, black and white notation (if not in color), running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.

**No Angel** - Penny Vincenzi 2004-10-05

With the publication of *No Angel*, a novel introducing the engaging cast of characters in the Lytton family, Overlook opens a thrilling new dimension to this author's already illustrious career. *No Angel* is an irresistibly sweeping saga of power, family politics, and passion—a riveting drama and a fervent love story. Celia Lytton is the beautiful and strong-willed daughter of wealthy aristocrats and she is used to getting her way. She moves through life making difficult and often dangerous decisions that affect herself and others—her husband, Oliver, and their children; the destitute Sylvia Miller, whose life is transformed by Celia's intrusion; as well as Oliver's daunting elder sister, who is not all she appears to be; and Sebastian Brooke, for whom Celia makes the most dangerous decision of all. Set against the tumultuous backdrop of London and New York in the First World War, *No Angel* is, as *British Good Housekeeping* wrote, "an absorbing page-turner, packed with believable characters and satisfyingly extreme villains, eccentrics, and manipulators." Readers of Maeve Binchy, Barbara Taylor Bradford, and Anita Shreve will fall in love with this epic, un-put-downable novel.

Gone to Soldiers - Marge Piercy 2016-04-12

This sweeping New York Times bestseller is "the most thorough and most captivating, most engrossing novel ever written about World War II" (*Los Angeles Times*). Epic in scope, Marge Piercy's sweeping novel encompasses the wide range of people and places marked by the Second World War. Each of her ten narrators has a unique and compelling story that powerfully depicts his or her personality, desires, and fears. Special attention is given to the women of the war effort, like Bernice, who rebels against her domineering father to become a fighter pilot, and Naomi, a Parisian Jew sent to live with relatives in Detroit, whose twin sister,

Jacqueline—still in France—joins the resistance against Nazi rule. The horrors of the concentration camps; the heroism of soldiers on the beaches of Okinawa, the skies above London, and the seas of the Mediterranean; the brilliance of code breakers; and the resilience of families waiting for the return of sons, brothers, and fathers are all conveyed through powerful, poignant prose that resonates beyond the page. *Gone to Soldiers* is a testament to the ordinary people, with their flaws and inner strife, who rose to defend liberty during the most extraordinary times.

A Merciless Place - Emma Christopher  
2011-07-01

Since Robert Hughes' *The Fatal Shore*, the fate of British convicts has burned brightly in the popular imagination. Incredibly, their larger story is even more dramatic—the saga of forgotten men and women scattered to the farthest corners of the British empire, driven by the winds of the American Revolution and the currents of the African slave trade. In *A Merciless Place*, Emma Christopher brilliantly captures this previously unknown story of poverty, punishment, and transportation. The story begins with the American War of Independence, until which many British convicts were shipped across the Atlantic. The Revolution interrupted this flow and inspired two entrepreneurs to organize the criminals into military units to fight for the crown. The felon soldiers went to West Africa's slave-trading posts just as the war ended; these forts became the new destination for England's rapidly multiplying convicts. The move was a disaster. Christopher writes that "before the scheme was abandoned, it would have run the gamut of piracy, treachery, mutiny, starvation, poisonings, allegations of white women forced to prostitute themselves to African men, and not least several cases of murder." To end the scandal, the British government chose a new destination, as far away as possible: Australia. Christopher here captures the gritty lives of Britain's convicts: victims of London's underworld, rife with brutal crime and sometimes even more brutal

punishments. Equally fascinating are the portraits of Fante people of West Africa, forced to undergo dramatic changes in their role as intermediaries with Europeans in the slave trade. Here, too, are the aboriginal Australians, coping with the transformation of their native land. They all inhabit *A Merciless Place*: a tour de force and historical narrative at its finest.

*Ashley's War* - Gayle Tzemach Lemmon

2015-04-21

NEW YORK TIMES BESTSELLER From Gayle Tzemach Lemmon, author of the New York Times bestseller *The Dressmaker of Khair Khana*, comes the story of a unique team of women who answered the call to get as close to the fight as the Army had ever allowed women to be, including one beloved soldier who was killed serving her country's cause. In 2010, the Army created Cultural Support Teams, a secret pilot program to insert women alongside Special Operations soldiers battling in Afghanistan. The Army reasoned that women could play a unique role on Special Ops teams: accompanying their male colleagues on raids and, while those soldiers were searching for insurgents, questioning the mothers, sisters, daughters and wives living at the compound. Their presence had a calming effect on enemy households, but more importantly, the CSTs were able to search adult women for weapons and gather crucial intelligence. They could build relationships—woman to woman—in ways that male soldiers in an Islamic country never could. In *Ashley's War*, Gayle Tzemach Lemmon uses on-the-ground reporting and a finely tuned understanding of the complexities of war to tell the story of CST-2, a unit of women hand-picked from the Army to serve in this highly specialized and challenging role. The pioneers of CST-2

proved for the first time, at least to some grizzled Special Operations soldiers, that women might be physically and mentally tough enough to become one of them. The price of this professional acceptance came in personal loss and social isolation: the only people who really understand the women of CST-2 are each other. At the center of this story is a friendship cemented by "Glee," video games, and the shared perils and seductive powers of up-close combat. At the heart of the team is the tale of a beloved and effective soldier, Ashley White. Much as she did in her bestselling *The Dressmaker of Khair Khana*, Lemmon transports readers to a world they previously had no idea existed: a community of women called to fulfill the military's mission to "win hearts and minds" and bound together by danger, valor, and determination. *Ashley's War* is a gripping combat narrative and a moving story of friendship—a book that will change the way readers think about war and the meaning of service.

**Tremendous Worlds** - Susan Pfisterer 1999

*Tremendous Worlds* is a companion volume to *Playing with Ideas* and has a play corresponding to each of the book's seven chapters. The anthology makes accessible, for the first time, a selection of Australian women's plays from the first half of the twentieth century, plays that celebrate the diversity of female identities. Australian women, who won the vote decades ahead of those in England and the United States, have long had something to say that reflects their unique experiences. Some fascinating debates and musings are captured here, reminding us how revealing theatre can be of a society's beliefs and cultures.
