Harm Reduction - Tim Rhodes 2010

Ampia trattazione sulle possibilità terapeutiche nell'ambito della tossicodipendenza, sia da sostanze legali che illegali (eroina, cocaina, anfetamina, cannabis). Si illustra il panorama legislativo e terapeutico europeo e mondiale, così come la prospettiva etica e futura delle diverse forme di terapia. La seconda parte del volume indaga la riduzione del danno nel campo delle droghe legali (tabacco, alcol), proseguendo poi ad analizzare il rapporto fra terapia e uso ricreativo giovanile della droga. Segue un capitolo dedicato ai problemi legali e criminali nella dipendenza e nel recupero, per poi accennare alle prospettive del recupero nell'Unione Europea.

Psychoanalysis and Neuroscience - Mauro Mancina 2007-04-29

Recent scientific studies have brought significant advances in the understanding of basic mental functions such as memory, dreams, identification, repression, which constitute the basis of the psychoanalytical theory. This book focuses on the possibility of interactions between psychoanalysis and neuroscience: emotions and the right hemisphere, serotonin and depression. It is a unique tool for professionals and students in these fields, and for operators of allied disciplines, such as psychology and psychotherapy.

Inequality in Financial Capitalism - Pasquale Tridico 2017-03-16

Recently, the issue of inequality has regained attention in the economic and political debate. This is due to both an increase in income inequality, in particular among rich countries, and an increasing interest in this issue by researchers and politicians. In the last three decades, income inequality among rich countries increased. This period also witnessed the growth of "financial capitalism", characterised by the strong dependency of economies on the financial sector, by the globalisation and intensification of international trade and capital mobility, and by the "flexibilisation" of labour markets and the reduction of wage shares. From the 1980s to the present day, this book considers the theoretical aspects of inequality (its foundations, definitions, approaches and origins) and examines empirical evidence of income inequality in a wide range of advanced economies. The key arguments in this volume are that income inequality increased during this period because labour and welfare became seen as costs to be compressed in "financial capitalism" rather than as a fundamental part of aggregate demand to be expanded. However, the welfare state is not a drain on economic performance and competitiveness, nor is it a barrier to economic efficiency. Instead, it is demonstrated that in countries that adopt "welfare capitalism", welfare state expenditure not only contributes to a reduction in inequality but also fosters economic growth. Inequality in Financial Capitalism is of great importance to those who study economics, political economy, labour economics and globalisation.

Eye of the Needle - Ken Follett 2017-10-17

The worldwide phenomenon from the bestselling author of *The Pillars of the Earth*, *World Without End*, *A Column of Fire*, and *The Evening and the Morning* His code name was "The Needle." He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

The Gospel According to Larry - Janet Tashjian 2011-04-01

After creating a controversial and hugely popular website, teenager Josh Swensen becomes trapped inside his brilliant creation and must find a way to remain anonymous. I am lying on my bed doing my homework in Greek and Latin roots for Advanced English. 'Ped' for foot, 'homo' for man, 'nym' for name. I sit with the dictionary in front of me, coming up with as many words as I can to complete the assignment. Pedestrian, homicide, pseudonym . . . I have more than thirty of them. By accident -- that's always how these life-changing things happen -- I connect two halves that don't seem like a word until I look it up. 'Pseudo', false; and 'cide,' to kill = pseudocide. To pretend to kill (yourself). I stare at the word for a good long time. Homicide, suicide, genocide: these are words you can find in the newspaper every day. But pseudocide . . . now here was something different. My mind wanders from my homework to the blue cotton threads of my bedspread. Pseudocide. A way to start again as someone completely new, a way to burn the old self and try on a new one. Josh Swensen isn't your average teenager - when he observes America, he sees a powerhouse of consumerism and waste. He's even tried to do something about it, with his start-up controversial website. But when Josh rises to messiah status of the internet world, he discovers that greed and superficiality are not easily escaped. Trapped inside his own creation, Josh feels his only way out is to stage his death and be free of his internet alter-ego, "Larry." But this plan comes with danger, and soon Josh finds himself cut off from the world, with no one to turn to for help. In this suspenseful young adult novel, Janet Tashjian has written a probing tour-de-force.

Imagining Babylon - Mario Liverani 2016-07-11

Ever since the archaeological rediscovery of the Ancient Near East, generations of scholars have attempted to reconstruct the "real Babylon," known to us before from the evocative biblical account of the Tower of Babel. After two centuries of excavations and scholarship, Mario Liverani provides an insightful overview of modern, Western approaches, theories, and accounts of the ancient Near Eastern city.

A Little Pretty Pocket-book - John Newbery 1767

The Weapon Shops of Isher - Alfred Elton Van Vogt 1954

The Origins of Attachment - Beatrice Beebe 2013-12-04

The Origins of Attachment: Infant Research and Adult Treatment addresses the origins of attachment in mother-infant face-to-face communication. New patterns of relational disturbance in infancy are described. These aspects of communication are out of conscious awareness. They provide clinicians with new ways of thinking about infancy, and about nonverbal communication in adult treatment. Utilizing an extraordinarily detailed microanalysis of videotaped mother-infant interactions at 4 months, Beatrice Beebe, Frank Lachmann, and their research collaborators provide a more fine-grained and precise description of the process of attachment transmission. Second-by-second microanalysis operates like a social microscope and reveals more than can be grasped with the naked eye. The book explores how, alongside linguistic content, the bodily aspect of communication is an essential component of the capacity to communicate and understand emotion. The moment-to-moment self- and interactive processes of relatedness documented in infant research form the bedrock of adult face-to-face communication and provide the background fabric for the verbal narrative in the foreground. The Origins of Attachment is illustrated throughout with several case vignettes of adult treatment. Discussions by Carolyn Clement, Malcolm Slavin and E. Joyce Klein, Estelle Shane, Alexandra Harrison and Stephen Seligman show how the research can be used by practicing clinicians. This book details aspects of bodily communication between mothers and infants that will provide useful analogies for therapists of adults. It will be essential reading for psychoanalysts, psychotherapists and graduate students. Collaborators Joseph Jaffe, Sara Markese, Karen A. Buck, Henian Chen, Patricia Cohen, Lorraine Bahrack, Howard Andrews, Stanley Feldstein Discussants Carolyn Clement, Malcolm Slavin, E. Ballooning Over Everest - Leo Dickinson 1993

This is a photographic record of Leo Dickinson and his intrepid team of Australian and British pioneers who spent years preparing to gaze down on the summit of the highest mountain in the world. For the sake of a

stupendous flight lasting less than an hour, this unlikely collection of rugged individuals fought, co-operated, quarrelled, laughed and occasionally cried. As well as this entertaining account of an historic first, they brought back an entirely new view of an awesome Himalayan peak.

The Job-Hunter's Survival Guide - Richard N. Bolles 2012-04-04

One hundred pages of lifesaving advice for people out of work. When over ten million people have needed help with their job-hunt—or with figuring out what to do with their life—there is one person they have turned to, more than any other. He is Richard N. Bolles, author of the #1 job-hunting book of all time, What Color Is Your Parachute? His name is well-known around the world. Just during the last twelve months, he has appeared in Time ("10 Ideas Changing the World Right Now," March 2009), U.S. News & World Report (deemed "savior of the nation's unemployed," October 2008), NBC's Today Show (broadcast in April 2009), and many other publications and shows. His book was the #1 best-seller on BusinessWeek's paperback list as recently as last November. Never has his advice been more sought than during these brutal economic times. He has responded by writing a completely new book: The Job-Hunter's Survival Guide, designed particularly for people who are hanging on the ropes, who haven't time to do a lot of reading but need help desperately—and now. Early reviews have called this little Guide "brilliant" and "tremendously helpful."

The Simpsons - Moritz Fink 2019-06-19

This book looks at The Simpsons place in the pop culture firmament, from inspirations like Mad magazine to its critical role in the renaissance of animated television. The author recounts the birth of the show, discusses its remarkable merchandising success, and examines the show's popularity as the longest running episodic program in TV history.

Killing and Dying - Adrian Tomine 2021-05-04

"One of the most gifted graphic novelists of our time." —Wired Killing and Dying is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss, creative ambition, identity, and family dynamics. With this work, Adrian Tomine (Shortcomings, Scenes from an Impending Marriage) reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature. His gift for capturing emotion and intellect resonates here: the weight of love and its absence, the pride and disappointment of family, the anxiety and hopefulness of being alive in the twenty-first century. "Amber Sweet" shows the disastrous impact of mistaken identity in a hyper-connected world; "A Brief History of the Art Form Known as Horticulture" details the invention and destruction of a vital new art form in short comic strips; "Translated, from the Japanese" is a lush, full-color display of storytelling through still images; the title story, "Killing and Dying", centers on parenthood, mortality, and stand-up comedy. In six interconnected, darkly funny stories, Tomine forms a quietly moving portrait of contemporary life. Tomine is a master of the small gesture, equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color. Killing and Dying is a fraught, realist masterpiece.

Theory for Education - Greg Dimitriadis 2006-03-24

Theory for Education provides a concise and clear introduction to key contemporary theorists, including their lives, major works and ideas. Written for the student in need of a quick introduction or for the scholar brushing up on details, this new volume in the theory4 series presents major thinkers whose work and ideas have shaped critical thinking in our time. Greg Dimitriadis and George Kamberelis underscore the particular relevance of these thinkers for the field of education - their work on education, how others in education have used them and possible future directions for teachers and researchers. Theory for Education's ease of use, clarity and comprehensive scope will be invaluable for those entering the field. Adapted from Theory for Religious Studies, by William E. Deal and Timothy K. Beal.

The Psycho-Analysis of Children - Melanie Klein 2011-06-08

The Psycho-Analysis of Children, first published in 1932, is a classic in its subject, and revolutionised child analysis. Melanie Klein had already proved, by the special technique she devised, that she was a pioneer in that branch of analysis. She made possible the extension of psycho-analysis to the field of early childhood, and in this way not only made the treatment of young children possible but also threw new light on psychological development in childhood and on the roots of adult neuroses and psychoses.

Istruzioni per non trovare lavoro - Davide Marino 2014-10-17

“Istruzioni per non trovare lavoro” in realtà è un libro sui metodi per cercarlo...Tra le peculiarità potrai trovare, innanzitutto, i consigli sulle cose da non fare ma, naturalmente, il suo compito non si ferma qui. La provocazione nasconde una serie di proposte alternative per riuscire nell'impresa di collocarsi e, gli argomenti proposti spesso raccontati con humor, cercano di allargare gli orizzonti di chi cerca proponendo consigli pratici e nuove prospettive. Al suo interno potrai trovare indicazioni su: come ragiona un datore di lavoro; come scegliere tra scuola e lavoro; quali sono i bisogni del mercato; fare un buon passaparola; fare un progetto; come sviluppare ricerca on line e rispondere agli annunci in modo efficace; cosa sono i job club; cos'è una ricerca di lavoro estrema; come definire i propri obiettivi; fare un bilancio delle competenze; come compilare una lettera di presentazione; cosa sono i chunk della ricerca e tanto altro. Per finire, ti svelo che, uno dei primi metodi per non trovare lavoro, potrebbe proprio essere quello di non acquistare questo libro...

Toward a New Sociology - Charles H. Anderson 1978

Environmental Social Work - Mel Gray 2013

Liar Moon - Ben Pastor 2012-02-21

Praise for Ben Pastor's *Lumen*: “Pastor’s plot is well crafted, her prose sharp. . . . A disturbing mix of detection and reflection.”—Publishers Weekly “Rivets the reader with its twist of historical realities. A historical piece, it faithfully reproduces the grim canvas of war. A character study, it captures the thoughts and actions of real people, not stereotypes.”—The Free Lance-Star “And don’t miss *Lumen* by Ben Pastor. . . . An interesting, original, and melancholy tale.”—Literary Review Italy, September 1943. The Italian government switches sides and declares war on Germany. The north of Italy is controlled by the fascist puppets of Germany; the south liberated by Allied forces fighting their way up the peninsula. Having survived hell on the Russian front, Wehrmacht major and aristocrat Baron Martin von Bora is sent to Verona. He is ordered to investigate the murder of a prominent local fascist: a bizarre death threatening to discredit the regime’s public image. The prime suspect is the victim’s twenty-eight-year-old widow Clara. Haunted by his record of opposition to SS policies in Russia, Bora must watch his step. Against the backdrop of relentless anti-partisan warfare and the tragedy of the Holocaust, a breathless chase begins. Ben Pastor, born and now back in Italy, lived for thirty years in the United States, working as a university professor in Vermont. The first in the Martin Bora series, *Lumen*, was published by Bitter Lemon Press in May 2011.

The Pindar Diamond - Katie Hickman 2010-08-24

In a small town on the Italian coast, a mysterious woman washes ashore. She is crippled, mute, and clutches a bundle to her chest—a baby the townspeople insist is a real-life mermaid. It can only bring bad luck; they pay a troupe of acrobats to carry mother and child away. In the bustling trade center of Venice, merchant Paul Pindar is the subject of his colleagues' concern. Since his return from Constantinople, they have found him changed; raging over the loss of his beloved, Celia, he has gambled away his fortune at the gaming tables. But when a priceless blue diamond surfaces in the city, Pindar recognizes the opportunity to regain everything he has lost—including, perhaps, the woman he loves. A celebrated writer of history and travel books, Katie Hickman has always been a master of evoking time and place. With *The Pindar Diamond*, her follow-up to *The Aviary Gate*, she brings early-seventeenth-century Italy vividly to life, and also demonstrates her maturity as a novelist. A tale of love and avarice, with a touch of the mystical, *The Pindar Diamond* is rich with historical detail, and unfolds with urgency and grace. It is accomplished,

wholly satisfying historical fiction.

Il TrovaLavoro. Manuale di sopravvivenza - Richard Nelson Bolles 2014-12-11

Tempi duri quelli che stiamo vivendo. Manca il lavoro e la sicurezza economica si sta lacerando come il tessuto di relazioni che faticosamente ci siamo costruiti. Se fino a qualche tempo fa il lavoro era vissuto come un diritto congenito a noi cittadini, da reclamare a viva voce presso le istituzioni (governo, servizi per l'impiego, camere di commercio o amministratori locali), oggi la crisi sembra dirci brutalmente che ci siamo ingannati, che questo diritto non esiste più. La sensazione più diffusa è di trovarci soli, davanti a una crisi di cui non pare intuirsi un felice approdo. Sindacati e famiglia, ancore di salvezza e dispensatori di sicurezze, sembrano non bastare più, rivelando tutti i loro limiti. Mai come in questo periodo bisogna cavarsela da soli, e mai come ora la consulenza di Richard Nelson Bolles è così importante. L'autore ha risposto con questo manuale brillante ed estremamente utile: *Il TrovaLavoro* è pensato per chi si trova in difficoltà, per chi non ha tempo per procedere a tentoni, ma vuole essere protagonista nella ricerca di soluzioni. Un manuale indispensabile per trovare lavoro, partendo dall'attenzione verso se stessi e dalle proprie aspirazioni profonde.

The Experience of Pain - Carlo Emilio Gadda 2017-10-26

'The seething cauldron of life, the infinite stratification of reality, the inextricable tangle of knowledge are what Gadda wants to depict' Italo Calvino At the height of Fascist rule in Italy and following the death of his mother, Carlo Emilio Gadda began work on his first novel, *The Experience of Pain*. This portrait of a highly educated young man whose anger and frustration frequently erupt in ferocious outbursts directed towards his ageing mother is a powerful critique of the society of his time and the deep wounds inflicted on his generation. Set in a fictional South American country, *The Experience of Pain* is at once richly imaginative and intensely personal: the perfect introduction to Gadda's innovative style and literary virtuosity.

Translated by Richard Dixon

The Aviary Gate - Katie Hickman 2010-12-15

Constantinople, 1599. Paul Pindar, a secretary to the English ambassador, thinks he has lost his love, Celia,

in a shipwreck. Now, two years later, clues begin to emerge that she may be hidden among the ranks of the slaves in the Sultan's harem. But how can he be sure? And can they be reunited? With a secret rebellion rising within the Sultan's palace, danger surrounds the lovers. A lush, ancient tale of treacherous secrets,

forbidden love, and murder in the Ottoman palace, *The Aviary Gate* is exotic historical fiction at its very best.

Novelle morali - Francesco Soave 1837
