100 Fun & Easy Learning Games for Kids - Amanda Boyarshinov 2016-05-24

Learn While You Play With These Fun, Creative

Activities & Games From two experienced educators and moms, 100 Fun & Easy Learning Games for Kids prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Parachute Subtraction, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. 100 Fun & Easy Learning Games for Kids is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.
