Stormbird - Conn Iggulden 2013

In 1437, after years of regency, the pious and gentle Henry VI, the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Spymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?

Shakespeare's Kings - John Julius Norwich 2001-03-13

Compares the historical kings with their portrayal in Shakespeare's plays

Edward IV - Keith Dockray 2015

Edward IV (king from 1461-83), so often overshadowed by his younger brother and eventual successor Richard III is a controversial figure in his own right. Was he a lazy and licentious lightweight who much preferred his mistresses to his ministers and had little taste for the arduous day-to-day business of government? Or was he, rather, a wise and successful monarch who laid the foundations for over a century of Tudor rule? This documentary study by the author of Richard III in the same series, presents contemporary and near-contemporary sources for Edward IV and his reign, enabling the reader to appreciate why the king's reputation has fluctuated so markedly, and provides an indispensable compendium for all who wish to enter the political world of Yorkist England."

Richard III - Keith Dockray 2013

The definitive book on Richard III written and researched by world experts in their field.

Letters of Queen Margaret of Anjou and Bishop Beekington and Others - Cecil Monro 1863

Letters of Queen Margaret of Anjou and Bishop Beekington and Others - Margaret (van Anjou, koningin van Engeland) 1863

Henry VI. Part II. - William Shakespeare 1786

Wars of the Roses - Conn Iggulden 2014-01-12

1454: King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness for over a year, his eyes vacant, his mind a blank. His fiercely loyal wife and Queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day know the love of his father. Richard Duke of York, Protector of the Realm, extends his influence throughout the kingdom with each month that Henry slumbers. The Earls of Salisbury and Warwick make up a formidable trinity with Richard, and together they seek to break the support of those who would raise their colours in the name of Henry and his Queen. But when the King unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil.

The Red Queen - Philippa Gregory 2012-01-31

Philippa Gregory's enthralling new novel brings to life a proud and determined woman who believes that she alone is destined to shape the course of history. Heiress to the red rose of Lancaster, Margaret Beaufort fervently believes that her house is the true ruler of England. Ignored by her sainted cousin Henry VI, mocked by her mother, married at age twelve, and endangered by childbirth, she vows to put her son on the throne. Naming him Henry, she sends him into exile and pledges him in marriage to the daughter of her sworn enemy. Margaret charts her own way through loveless marriages, treacherous alliances, and secret plots. Finally, she gambles her life to mastermind one of the greatest rebellions of all time all the while knowing that her grown son and his army await the opportunity to win the greatest prize.

Concerns and Preoccupations - Linda Clark 2012

The Reign of King Henry VI - Ralph Alan Griffiths 1981

Margaret of Anjou - Jacob Abbott 2019-09-25

Reproduction of the original: *Margaret of Anjou* by Jacob Abbott

Shadow King - Lauren Johnson 2019-03-07

A thrilling new account of the tragic life and troubled times of Henry VI. 'The best life of Henry VI now in print' DAN JONES. 'Vivid, absorbing and richly detailed' HELEN CASTOR. 'A well-crafted moving account of a tragic reign' MICHAEL JONES. First-born son of a warrior father who defeated the French at Agincourt, Henry VI of the House Lancaster inherited the crown not only of England but also of France, at a time when Plantagenet dominance over the Valois dynasty was at its glorious height. And yet, by the time he was done to death in the Tower of London in 1471, France was lost, his throne had been seized by his rival, Edward IV of the House of York, and his kingdom had descended into the violent chaos of the Wars of the Roses. Henry VI is perhaps the most troubled of English monarchs, a pious, gentle, well-intentioned man who was plagued by bouts of mental illness. In *Shadow King*, Lauren Johnson tells his remarkable and sometimes shocking story in a fast-paced and colourful narrative that captures both the poignancy of Henry's life and the tumultuous and bloody nature of the times in which he lived.

The White Queen - Philippa Gregory 2013-07-09

A tale of the Wars of the Roses follows Elizabeth Woodville, who ascends to royalty and fights for the well-being of her family, including two sons whose imprisonment in the Tower of London precedes a devastating unsolved mystery.

The Queen of Last Hopes - Susan Higginbotham 2011-01-01

A man other than my husband sits on England's throne today. What would happen if this king suddenly went mad? What would his queen do? Would she make the same mistakes I did, or would she learn from mine? Margaret of Anjou, queen of England, cannot give up on her husband-even when he slips into insanity. And as mother to the House of Lancaster's last hope, she cannot give up on her son-even when England turns against them. This gripping tale of a queen forced to stand strong in the face of overwhelming odds is at its heart a tender tale of love. Award-winning author Susan Higginbotham will once again ask readers to question everything they know about right and wrong, compassion and hope, duty to one's country and the desire of one's own heart. Praise for Susan Higginbotham "A beautiful blending of turbulent history and deeply felt fiction, Susan Higginbotham's *The Queen of Last Hopes* brings alive an amazing woman often overlooked or slandered by historians. Higginbotham has given readers of historical fiction a gift to treasure." -Karen Harper, New York Times bestselling author of *The Irish Princess* "A compelling, fast paced, and well-written saga that is destined to both entertain and educate anyone interested in the spirited and fascinating Margaret of Anjou for generations to come!" -D. L. Bogdan, author of *Secrets of the Tudor Court* "The Queen of Last Hopes is an inspiring novel of a woman who, in the face of betrayal and loss, would

not surrender. Susan Higginbotham brings Margaret of Anjou to life and tells the story of the Frenchwoman who was one of the strongest queens England has ever known." -Christy English, author of *The Queen's Pawn* and *To Be Queen*

Oryx and Crake - Margaret Atwood 2010-07-27

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigeons and wolvoogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

Scholars and Poets Talk About Queens - Carole Levin 2015-08-18
Scholars and Poets Talk About Queens is a lively and erudite collection, unusual in an especially appealing way. This collection of essays shows how queens were represented in the Middle Ages and Renaissance through primary accounts, chronicles, and literary representations. The

book also contains modern poetry and short plays about these same queens, allowing readers to understand and appreciate them both intellectually and emotionally. Contributors study a wide range of queens including such famous and fascinating women as Queen Elizabeth I, Cleopatra, Hecuba, the Empress Matilda, Mary Stuart, Margaret of Anjou, Catherine of Aragon, and the pirate queen Grace O'Malley. By pairing scholarly essays with contemporary poems about them, the collection demonstrates the continued relevance and immediacy of these powerful and fascinating women.

The Life and Times of Margaret of Anjou, Queen of England and France - Mary Ann Hookham 1872

Anne Neville - Amy Licence 2013-04-15

The real story of the 'Kingmaker's Daughter'. Published to coincide with the reburial of Richard III

Henry VI, Margaret of Anjou and the Wars of the Roses - Keith Dockray 2016

Henry VI (1422-61), a man 'more given to God and devout prayer than handling worldly and temporal things', was the third, and least successful, Lancastrian king of England; his wife Margaret of Anjou, 'a great and strong laboured woman', became a formidable political force in her own right; and the Wars of the Roses, so dramatically portrayed by William Shakespeare as bloody dynastic struggles fought for the possession of the crown, brought the usurpation of Edward IV (1461-83), the humiliation and exile of Margaret of Anjou, and the murder of her husband in the Tower of London. Combining a framework of interpretation and a rich selection of passages from contemporary and near-contemporary sources, this compilation enables readers to appreciate just why the rule of Henry VI resulted in the outbreak of the Wars of the Roses, what these internecine conflicts were like, and how they culminated in the end of the House of Lancaster. Keith Dockray was formerly Senior Lecturer in Medieval and Early Modern History at the University of Huddersfield. This volume, following in the footsteps of his *Edward IV: From Contemporary Chronicles, Letters and Records* (2015)

and *Richard III: From Contemporary Chronicles, Letters and Records* (2013) completes a trilogy of source readers covering English kings, politics and war circa 1450 to 1485

She-Wolves - Helen Castor 2011-02-22

"Helen Castor has an exhilarating narrative gift. . . . Readers will love this book, finding it wholly absorbing and rewarding." —Hilary Mantel, Booker Prize-winning author of *Wolf Hall* In the tradition of Antonia Fraser, David Starkey, and Alison Weir, prize-winning historian Helen Castor delivers a compelling, eye-opening examination of women and power in England, witnessed through the lives of six women who exercised power against all odds—and one who never got the chance. With the death of Edward VI in 1553, England, for the first time, would have a reigning queen. The question was: Who? Four women stood upon the crest of history: Katherine of Aragon's daughter, Mary; Anne Boleyn's daughter, Elizabeth; Mary, Queen of Scots; and Lady Jane Grey. But over the centuries, other exceptional women had struggled to push the boundaries of their authority and influence—and been vilified as "she-wolves" for their ambitions. Revealed in vivid detail, the stories of Eleanor of Aquitaine, Isabella of France, Margaret of Anjou, and the Empress Matilda expose the paradox that England's next female leaders would confront as the Tudor throne lay before them—man ruled woman, but these women sought to rule a nation.

History of Margaret of Anjou - Jacob Abbott 1861

The Letters of Margaret of Anjou - Helen Maurer 2019-07-09

New study and edition of the remarkable letter collection of Margaret of Anjou, bringing all her correspondence together in one volume for the first time.

The Brothers York - Thomas Penn 2021-06-15

"For fans of Hilary Mantel and *The Tudors*, this is the dramatic story of the concluding episode in England's War of the Roses, featuring three brothers, two of whom became kings, Edward IV and Richard III, famous from Shakespeare's great history play *Richard III*"--

Margaret of Anjou - John Joseph Bagley 1948

[The Letters of Margaret of Anjou](#) - Helen E. Maurer 2021-10-26

New study and edition of the remarkable letter collection of Margaret of Anjou, bringing all her correspondence together in one volume for the first time.

Henry VI, Margaret of Anjou and the Wars of the Roses - Keith Dockray 2000

Henry VI - Bertram Wolffe 2001-01-01

In this widely acclaimed biography, Bertram Wolffe challenges the traditional view of Henry VI as an unworldly, innocent, and saintly monarch and offers instead a finely drawn but critical portrait of an ineffectual ruler. Drawing on widespread contemporary evidence, Wolffe describes the failures of Henry's long reign from 1422 to 1471, which included the collapse of justice, the loss of the French territories, and the final disintegration of his government. He argues that the posthumous cult of Henry was promoted by Henry VII as a way of excusing his uncle's political failures while enhancing the image of the dynasty. This edition includes a new foreword by John Watts that discusses the book and its place in the evolving literature. Reviews of the earlier edition: "A brilliant biography that brings us as near as we are ever likely to come to this elusive personality."—Sunday Times (London) "A powerful, compulsively readable portrait."—Observer "Much learning, skillfully deployed as here, evokes pleasure as well as admiration."—R.L. Storey, Times Literary Supplement

The Good King - Margaret L. Kekewich 2008-10-31

King René is little known beyond France, yet, through his controversial daughter Margaret of Anjou, he affected events in England during the Wars of the Roses. René's court rivalled Burgundy in its rich artistic culture and his claim to the kingdom of Naples started a process that led to enormous changes in the power structure of Southern Europe.

Red Roses - Amy Licence 2016-03-07

The Wars of the Roses were not just fought by men on the battlefield. There were daughters, wives, mistresses, mothers and queens whose lives and influences helped shape the most dramatic of English conflicts.

This book traces the women's stories on the Lancastrian side, from the children of Blanche, wife of John of Gaunt, through the turbulent 15th century to the advent of Margaret Beaufort's son in 1509, and establishment of the Tudor dynasty. From Katherine Swynford and Catherine of Valois's secret liaisons to the love lives of Mary de Bohun and Jacquetta of Luxembourg, to the Queenship of Joan of Navarre and Margaret of Anjou, this book explores how these extraordinary women survived in extraordinary times.

Henry VI - William Shakespeare 1901

Wars of the Roses: Margaret of Anjou - Conn Iggulden 2016-06-14

The brilliant retelling of the Wars of the Roses continues with Margaret of Anjou, the second gripping novel in the new series from historical fiction master Conn Iggulden. As traitors advance . . . a queen defends. It is 1454 and for more than a year King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness, his eyes vacant, his mind blank. His fiercely loyal wife and queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day come to know his father. With each month that Henry is all but absent as king, Richard, the duke of York, protector of the realm, extends his influence throughout the kingdom. A trinity of nobles--York and Salisbury and Warwick--are a formidable trio and together they seek to break the support of those who would raise their colors and their armies in the name of Henry and his queen. But when the king unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York may be the beginning of a war that could tear England apart . . . Following Stormbird, Margaret of Anjou is the second epic installment in master storyteller Conn Iggulden's new Wars of the Roses series. Fans of the Game of Thrones and the Tudors series will be gripped from the word "go."

Blood Sisters - Sarah Gristwood 2014-03-04

The Wars of the Roses, which tore apart the ruling Plantagenet family in fifteenth-century England, was truly a domestic drama, as fraught and

intimate as any family feud before or since. But as acclaimed historian Sarah Gristwood reveals, while the events of this turbulent time are usually described in terms of the men who fought and died seeking the throne, a handful of powerful women would prove just as decisive as their kinfolks' clashing armies. A richly drawn, absorbing epic, *Blood Sisters* reveals how women helped to end the Wars of the Roses, paving the way for the Tudor age—and the creation of modern England.

Letters of Queen Margaret of Anjou and Bishop Beckington and Others - Queen Margaret (England, 1430-1482) 1863

Margaret of Anjou - Jacob Abbott 2018-05-02

Margaret of Anjou Jacob Abbott Margaret of Anjou (1430-1482), the wife of King Henry VI of England, was a heroine, not of romance and fiction, but of stern and terrible reality. Her life was a series of military exploits, attended with dangers, privations, sufferings, and wonderful vicissitudes of fortune, scarcely to be paralleled in the whole history of mankind. She was born and lived in a period during which there prevailed in the western part of Europe two great and dreadful quarrels, which lasted for more than a hundred years, and which kept France and England, and all the countries contiguous to them, in a state of continual commotion during all that time We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Henry VI and Margaret of Anjou - Amy Licence 2018-08-30

He became king before his first birthday, inheriting a vast empire from his military hero father; she was the daughter of a king without power, who made an unexpected marriage at the age of fifteen. Almost completely opposite in character, together they formed an unlikely but complimentary partnership. Henry VI and Margaret of Anjou have become famous as the Lancastrian king and queen who were deposed during the Wars of the Roses but there is so much more to their story. The political narrative of their years together is a tale of twists and turns, encompassing incredible highs, when they came close to fulfilling their desires, and terrible, heart-breaking lows. Personally, their story is an intriguing one that raises many questions. Henry was a complex, misunderstood man, enlightened and unsuited to his times and the pressures of kingship. In the end, overcome by fortune and the sheer determination of their enemies, their alliance collapsed. England simply wasn't ready for a gentle king like Henry, or woman like Margaret who defied contemporary stereotypes of gender and queenship. History has been a harsh judge to this royal couple. In this discerning dual biography, Amy Licence leads the way in a long-overdue re-evaluation of their characters and contributions during a tumultuous and defining period of British history.

The Lady of the Rivers - Philippa Gregory 2013-07-09

When the death of Joan of Arc shows her the dangers faced by strong women, Jacquetta, a psychic descendant of a river goddess, studies alchemy and becomes the secret wife of Richard Woodville before returning to the court of Henry VI.

Succession - Livi Michael 2015-09-22

An imaginative novel of treachery, betrayal, and the lives of two extraordinary women set during the Wars of the Roses the inspiration for George R.R. Martin's *A Song of Ice and Fire*

Margaret of Anjou - Helen E. Maurer 2005-02

Margaret of Anjou is the most notorious of English medieval queens. In a man's world, how did she exercise power? By considering the constraints imposed upon Margaret's involvement in political activity by virtue of

being a woman, this book sheds light on the convoluted politics of 15th century England.
