Each story is a magical fairy tale come to life. There are different ways to create a fairytale, but these stories are a bit different from what you see in the movies. We have a Princess who becomes a knight to show others that girls can be strong and courageous too, Princesses who are not really princesses, princess spy, an everyday horse wanting to be a unicorn, an evil prince who wants to be accepted and to change into a good prince, unicorns whose powers are stolen, A dragon who is the only good one left and becomes a hero, mean princesses who need to learn their lesson on kindness, a servant who rescues a princess from slaying

a dragon, and so much more. In these stories, you will see betrayal, defeat, sadness, injustice, but most of all, happy endings! They will make you feel a lot of emotions but also make you feel very inspired, magical, and happy! Stories to remember when you go to sleep at night, and to tell your friends. Even if you're a unicorn and your friend is a dragon! fairy tales are a wonderful way to get your imagination working and you'll be surprised when you read about a forbidden love between a unicorn and a dragon, magic apples that don't poison you but create a whole new world, A knight that tries to rescue a princess, but realizes she's not in danger, a magic carpet with a mind of its own, a princess that wants to belong in the ocean, and so much more! Not all fairy tales are the same and when you read these books, you will see anything is possible when you believe in yourselves, to be brave, to be kind, to try new things, and to never stop dreaming. All fairy tales have a lesson in them so

keep your mind and your eyes open when you read these stories and keep your imagination running wild. You can dream, you are your own prince and princess! You can go on adventures and discover new things as long as you believe, stay kind, and help others. The characters in these stories all learned valuable lessons that will shine through to anyone who reads these stories. These characters also face challenges just like in real life. The prince, the princess, the unicorn, the dragon all have become who they are meant to be in each story. They all became brave and faced their fears through anything they thought was impossible.
