*The Catholic School* - Edoardo Albinati 2019-08-13

A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered,

producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

[Schiavi del sistema](#) - Ivan Maffei 2018-09-05

Gli esseri umani non sono mai stati liberi e, soprattutto nel ricco occidente, la schiavitù si è evoluta in una forma più subdola: quella mentale. Dal momento in cui veniamo messi al mondo, fino al giorno della nostra morte, siamo parte di un sistema che controlla, limita e punisce le masse. I cosiddetti governi democratici hanno capito che è molto più facile

manipolare i popoli, piuttosto che assoggettarli con la forza. Il risultato è una società vuota, apatica, in cui ogni individuo è indottrinato a eseguire passivamente qualsiasi ordine gli viene impartito, e a essere felice di obbedire al padrone.

[The Elegance of the Hedgehog](#) - Muriel Barbery  
2008-09-02

The phenomenal New York Times bestseller that “explores the upstairs-downstairs goings-on of a posh Parisian apartment building” (Publishers Weekly). In an elegant hôtel particulier in Paris,

Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they

believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors” (Kirkus Reviews). “The narrators’ kinetic minds and engaging voices (in Alison Anderson’s fluent translation) propel us ahead.” —The New York Times Book Review  
“Barbery’s sly wit . . . bestows lightness on the most ponderous cogitations.” —The New Yorker

Threads of Life - Clare Hunter 2019-10-15

This globe-spanning history of sewing and embroidery, culture and protest, is “an astonishing feat . . . richly textured and moving” (The Sunday Times, UK). In 1970s Argentina, mothers marched in headscarves embroidered with the names of their “disappeared” children. In Tudor, England, when Mary, Queen of Scots, was under house arrest, her needlework carried her messages to the outside world. From the political propaganda of the Bayeux Tapestry, World War I soldiers coping with PTSD, and the maps sewn by schoolgirls in the New World, to the AIDS quilt, Hmong story clothes, and pink pussyhats, women and men have used the language of sewing to make their voices heard,

even in the most desperate of circumstances. *Threads of Life* is a chronicle of identity, memory, power, and politics told through the stories of needlework. Clare Hunter, master of the craft, threads her own narrative as she takes us over centuries and across continents—from medieval France to contemporary Mexico and the United States, and from a POW camp in Singapore to a family attic in Scotland—to celebrate the universal beauty and power of sewing.

"The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." - Lisa Wingate, #1 New York Times Bestselling Author of Before We Were Yours and The Book of Lost Friends  
"Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." - The Library Journal "[The Children's Train] leaves you with a

great sense of the importance of family and the tough decisions that must be faced as a result of that love.” - Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of *Orphan Train* and *Before We Were Yours*—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious,

innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo’s journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

**The Eight Mountains** - Paolo Cognetti

2018-03-20

For fans of Elena Ferrante and Paulo Coelho comes a moving and elegant novel about the friendship between two young Italian boys from different backgrounds and how their connection evolves and challenges them throughout their lives. "Few books have so accurately described the way stony heights can define one's sense of joy and rightness...an exquisite unfolding of the deep way humans may love one another" (Annie Proulx). Pietro is a lonely boy living in Milan. With his parents becoming more distant each day, the only thing the family shares is their love for the mountains that surround Italy. While on vacation at the foot of the Aosta Valley, Pietro meets Bruno, an adventurous, spirited local boy. Together they spend many summers exploring

the mountains' meadows and peaks and discover the similarities and differences in their lives, their backgrounds, and their futures. The two boys come to find the true meaning of friendship and camaraderie, even as their divergent paths in life—Bruno's in the mountains, Pietro's across the world—test the strength and meaning of their connection. "A slim novel of startling expansion that subtly echoes its setting" (Vogue), *The Eight Mountains* is a lyrical coming-of-age story about the power of male friendships and the enduring bond between fathers and sons. "There are no more universal themes than those of the landscape, friendship, and becoming adults, and Cognetti's writing becomes classical (and elegant) to best tell this story...a true novel by a great writer" (Rolling Stone Italia).
