You Choose: Ellis Island - Michael Bernard Burgan 2013

You're one of millions of immigrants leaving your home in the early 1900s to move to the United States. You're searching for a better life. Ellis Island, near New York City, is your first stop in your search for opportunity and freedom. Officials on the island have been processing immigrants there for decades, but not everyone gets through. If you pass the tests, you're on your way to a new life in the United States. If you don't, you may find yourself being sent back to your homeland. What path will you take? Will you: Be a Jewish youth leaving the violence of Russia in hopes of a better life in America? Be an Italian teen who lands at Ellis Island during World War I? A German immigrant who faces deportation? Everything in this book happened to real people. And YOU CHOOSE what you do next. The choices you make could lead you to opportunity, to wealth, to poverty, or even to death.

You Choose: The Sinking of the Lusitania - Steven Anthony Otfinoski

It's 1915 and the Lusitania is set to sail from New York on its 202nd Atlantic crossing. But this will be a dangerous trip, as German U-boats lurk beneath the surface. Will you: Experience the journey as an American boy traveling in second class to England with his family? Travel first class as a young woman on her honeymoon? Work as an American sailor hired to serve on the ship? Everything in this book happened to real people. And YOU CHOOSE what you do next. The choices you make could lead you to opportunity, to adventure, or even to death.

Gentile New York - Gil Ribak 2012-01-19

The very question of "what do Jews think about the goyim" has fascinated Jews and Gentiles, anti-Semites and philo-Semites alike. Much has been written about immigrant Jews in nineteenth- and twentieth-century New York City, but Gil Ribak's critical look at the origins of Jewish liberalism in America provides a more complicated and nuanced picture of the Americanization process. *Gentile New York* examines these newcomers' evolving feelings toward non-Jews through four critical decades in the American Jewish experience. Ribak considers how they perceived Gentiles in general as well as such different groups as "Yankees" (a common term for WASPs in many Yiddish sources), Germans, Irish, Italians, Poles, and African Americans. As they discovered the complexity of America's racial relations, the immigrants found themselves at odds with "white" American values or behavior and were drawn instead into cooperative relationships with other minorities. Sparked with many previously unknown anecdotes, quotations, and events, Ribak's research relies on an impressive number of memoirs, autobiographies, novels, newspapers, and journals culled from both sides of the Atlantic.

Letters from Rifka - Karen Hesse 2009-01-06

From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be safe from the Russian soldiers and their harsh treatment of the Jews. Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island--and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, Letters from Rifka presents a real-life heroine with an uncommon courage and unsinkable spirit.

*Oh, Yikes!* - Joy Masoff 2006-08-24

Gross is back and viler than ever! From the author of *Oh, Yuck!* the perennial bestseller about science with over 610,000 copies in print, comes *OH, YIKES!*, an illustrated encyclopedia of history's messiest, dumbest, grossest, wackiest, and weirdest moments. If kids think pus and gas are fun, wait until they hear the lowdown on the real Dracula, samurai, gladiators, guillotines and vomitoriums, pirates, Vikings, witch trials, and the world's poxiest plagues. Impeccably researched, deliciously wry, and subversively educational (check out the toilet-paper timeline), *OH, YIKES!* covers people, events, institutions, and really bad ideas, alphabetically from April Fool's Day to zany Zoos. Here are the Aztecs, sacrificing 250,000 people a year for the gods—and for food. Fearsome Attila the Hun, scourge of the steppes whose spinning eyes terrified his friends and whose mastery of horses terrorized his enemies (how does someone so evil die? Nosebleed!). Saur, the 11th-century dog-king of Norway (and not too bad as kings go). Henry VIII and his marital problems, the story of the Abominable Snowman and the Loch Ness Monster, why sailors in the old days preferred eating in the dark (hint: you can't see what's crawling in your food), and the answer to the question, "How did knights in armor go to the bathroom?" Topped off with hundreds of illustrations and photographs along with hands-on activities that bring the past to life, *OH, YIKES!* puts the juice in history in a way that makes it irresistible.

Civil Rights Pioneer - Gwennyth Swain 2011-08-01

Mary Church Terrell grew up after the Civil War with many opportunities. Although she received an excellent education and had a distinguished teaching career, Mary grew up African American in a segregated country. There were opportunities she did not have. Always determined, she joined the fight for equal rights. By lecturing, picketing, and writing she made her voice be heard and helped to end segregation.
