

The Discovery Of The Tomb Of Tutankhamen Egypt

Thank you very much for reading **The Discovery Of The Tomb Of Tutankhamen Egypt** . As you may know, people have search numerous times for their favorite readings like this The Discovery Of The Tomb Of Tutankhamen Egypt , but end up in malicious downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they cope with some infectious virus inside their desktop computer.

The Discovery Of The Tomb Of Tutankhamen Egypt is available in our book collection an online access to it is set as public so you can download it instantly.

Our book servers spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the The Discovery Of The Tomb Of Tutankhamen Egypt is universally compatible with any devices to read

Tutankhamen - Joyce Tyldesley 2012-03-06

"Published in 2012 in Great Britain by Profile Books Ltd."--T.p. verso.

Tutankhamun - Andrew Harlow 2022-10-18

The life of the young king is truly interesting, with unsolved riddles and thrilling tales. Even the cause of his death is still a mystery despite modern technology, obtaining 11 distinct death explanations. The sensational discovery of King Tut's tomb in November 1922 inspired an obsession across the globe. Hundreds of tourists queued outside the tomb for a glimpse. Hundreds more individuals sought to leverage their important friends and acquaintances to acquire a tour of the tomb. Ancient Egyptian-style garments immediately stormed the markets and featured in fashion publications. Even architecture was influenced as Egyptian designs were replicated into contemporary structures. Since 1922, the world has been fascinated with not only the story of Tutankhamen's tomb but also the alleged curse that has claimed dozens of lives since it was opened. Ancient Egypt's Most Famous Royal Tutankhamun chronicles what's known and unknown about. Along with pictures depicting important people, places, and events, you will learn about Tutankhamen like never before.

The Curse of King Tut - William W. Lace 2008

Shortly after the ancient tomb of Egypt's King Tutankhamun was opened in 1922, the English lord who had financed the discovery died. In subsequent years, others connected with the tomb also died, some under mysterious circumstances. This title examines the so-called "curse of King Tut" and attempts to answer numerous pivotal questions.

The Complete Tutankhamun - Nicholas Reeves 1990

The tomb of Tutankhamun, with its treasures, has exerted a hold over the popular imagination ever since its discovery in 1922. This book is a detailed and comprehensive account of this great archaeological discovery. The story of the boy-king, buried in splendour at the height of Egyptian civilization; the determined quest for his tomb by Howard Carter and Lord Carnarvon; the unforeseen riches eventually revealed - these are important events in the history of archaeology. However, despite the publicity at the time of the discovery and since - made more intriguing by the linking of Carnarvon's early death with the legend of the pharaoh's curse - it remains a story only partly told. Carter never produced a complete account of his excavations. The Tutankhamun exhibitions of the 1960's and 1970's generated a spate of books but none added significantly to what Carter had already published about the tomb. This book is a revealing account of the subject.

TUTANKHAMUN - Joyce Tyldesley 2022-10-27

Pharaoh. Icon. Enigma. Lost for three thousand years, misunderstood for a century. A hundred years ago, a team of archaeologists in the Valley of the Kings made a remarkable discovery: a near-complete royal burial, an ancient mummy, and golden riches beyond imagination. The lost tomb of Tutankhamun ignited a media frenzy, propelled into overdrive by rumours of a deadly ancient curse. But amid the hysteria, many stories - including that of Tutankhamun himself - were distorted or forgotten. Tutankhamun: Pharaoh, Icon, Enigma takes a familiar tale and turns on its head. Leading Egyptologist Joyce Tyldesley has gathered ten unique perspectives together for the first time, including that of the teenage pharaoh and his family, ancient embalmers and tomb robbers, famous Western explorers and forgotten Egyptian archaeologists. It's a journey that spans from ancient Thebes in 1336 BCE, when a young king on a mission to restore his land met an unexpected and violent end, to modern Luxor in 1922 CE when the tomb's discovery led to a fight over ownership that continues to this day. Above all, this is the story of Tutankhamun, as he would have wanted to be remembered. Piecing together three thousand years of evidence and unpicking the misunderstandings that surround Egypt's most famous king, this book offers a vital reappraisal on his life, death and enduring legacy.

The Collector's Daughter - Gill Paul 2021-09-07

Bestselling author Gill Paul returns with a brilliant novel about Lady Evelyn Herbert, the woman who took the very first step into the tomb of Pharaoh Tutankhamun, and who lived in the real Downton Abbey, Highclere Castle, and the long after-effects of the Curse of Pharaohs. Lady Evelyn Herbert was the daughter of the Earl of Carnarvon, brought up in stunning Highclere Castle. Popular and pretty, she seemed destined for a prestigious marriage, but she had other ideas. Instead, she left behind the world of society balls and chaperones to travel to the Egyptian desert, where she hoped to become a lady archaeologist, working alongside her father and Howard Carter in the hunt for an undisturbed tomb. In November 1922, their dreams came true when they discovered the burial place of Tutankhamun, packed full of gold and unimaginable riches, and she was the first person to crawl inside for three thousand years. She called it the "greatest moment" of her life—but soon afterwards everything changed, with a string of tragedies that left her world a darker, sadder place. Newspapers claimed it was "the curse of Tutankhamun," but Howard Carter said no rational person would entertain such nonsense. Yet fifty years later, when an Egyptian academic came asking questions about what really happened in the tomb, it unleashed a new chain of events that seemed to threaten the happiness Eve had finally found.

Tutankhamen - Howard Carter 1998

In April 1923 one of the greatest archaeological discoveries was in jeopardy, and its excavators embroiled in controversy. This is the first time that Howard Carter's own statement concerning these events has been published in full. It first appeared in 1924 as a privately printed pamphlet, with a print run of about thirty. Here, it is reprinted in full, with an introduction by Nicholas Reeves and some highly evocative photographs.

The Tomb of King Tutankhamen - Mary B. Woods 2008-01-01

Describes the discovery of the tomb of the Egyptian king Tutankhamun and what it revealed about everyday life in his time.

King Tut - Diana Briscoe 2003

Discusses ancient Egyptian customs and beliefs regarding death and the afterlife, the process of mummification, and the legend of a mummy's curse in relation to the discovery of King Tut's tomb in 1922.

Mummy's Curse, The: Discovering King Tut's Tomb - Blake Hoena 2019-08-01

The revelation of King Tutankhamun's tomb brought fame and glory to its discoverers. But as unlucky occurrences hit the crew, people wondered if it brought something more sinister as well. Through brightly colored illustrations, this graphic narrative examines the tomb's discovery and the grim events that followed. With aids including a timeline and possible theories, readers can draw their own conclusions about the mummy's curse in this thrilling narrative.

Tutankhamun, His Tomb and Its Treasures - Iorwerth Eiddon Stephen Edwards 1976

Black-and-white on-the-scene photographs and full-color plates record the great art treasures discovered in the tomb of Tutankhamun, and a British Egyptologist comments extensively on individual items

Tutankhamen and the Discovery of His Tomb - Grafton Elliot Smith 2005

This volume is a collection of all-new original essays covering everything from feminist to postcolonial readings of the play as well as source queries and analyses of historical performances of the play. The Merchant of Venice is a collection of seventeen new essays that explore the concepts of anti-Semitism, the work of Christopher Marlowe, the politics of commerce and making the play palatable to a modern audience. The characters, Portia and Shylock, are examined in fascinating detail. With in-depth analyses of the text, the play in

performance and individual characters, this book promises to be the essential resource on the play for all Shakespeare enthusiasts.

The Tomb of Tut-Ankh-Amen - Howard Carter 2010-09-30

Offers a digitally printed version of the work by Howard Carter detailing his discovery and excavation of the tomb of Tutankhamen in the Valley of the Kings.

Tutankhamen & The Discovery of His Tomb - Howard Carter 2013-02-01

The discovery of Tutankhamen's tomb in 1922 aroused unprecedented excitement in the field of Egyptology. In the tomb of a "colourless youth, who reigned for a few years only" were found unmatched riches, the study of which has led to numerous insights into ancient Egyptian civilization. The author of this fascinating text discusses the tomb's discovery, the significance of its discovery and contents, tomb-robbers, and the ethics of desecration.

The Tomb of Tutankhamun: Volume 1 - Howard Carter 2014-10-23

The discovery of the resting place of the great Egyptian King Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. Published in 1923, this is the first volume of Carter's trilogy, describing the years of frustration in search of the burial site, the triumph of its eventual discovery and the long, painstaking process of exploring and cataloguing its treasures. Containing over 100 images from the site itself, this volume also includes Carter's short article, 'The Tomb of the Bird,' which inadvertently spawned the legend of the great curse of Tutankhamun's tomb.

The Curse of King Tut's Tomb - Michael Burgan 2005

In graphic novel format, tells of the mystery surrounding the search for the tomb and treasures of King Tutankhamen, the mummy's curse, and the illnesses of archeologists who have explored Egyptian tombs.

Behind the Sealed Door - Irene Swinburne 1977-01-01

Describes the discovery of King Tutankhamen's tomb and the treasures found inside.

Tutankhamen - Christine El Mahdy 2014-01-28

When Tutankhamen's tomb was discovered in 1922, even the most experienced archaeologists joined the international community in marveling at the incredible wealth--and seemingly bizarre rituals--of ancient Egypt. What kind of society could produce such spectacular treasures only to bury them forever? Lost in a frenzy of speculation--anthropological, scientific, and commercial--was Tutankhamen himself. Thirty-five hundred years ago, the mightiest empire on Earth crowned a boy as its king, then worshipped him as a god. Nine years later, he was dead. Despite the young monarch's almost universal recognition in death, Egyptologists know very little about his life. Traditional histories, founded on incomplete investigation and academic dogma, shed almost no light on the details of a life as complicated and as fascinating as it was short. In *Tutankhamen: The Life and Death of the Boy-King*, Christine El Mahdy finally delivers a coherent portrait of King Tut's life and its historical significance. Based on stunning tomb records, lost since their discovery, this revolutionary biography begins to answer one of the twentieth century's most compelling archaeological mysteries: Who was Tutankhamen?

Tutankhamen and Other Essays - Arthur Edward Pearse Brome Weigall 1924

The Murder of Tutankhamen - Bob Brier 2005-06-07

A respected Egyptologist examines the compelling mystery behind the death of King Tutankhamen. Today, Tutankhamen is the most famous of the ancient Egyptian pharaohs. After his death at the age of nineteen, "King Tut" was forgotten from history, until the discovery of his tomb in 1922 propelled him to worldwide fame. But the circumstances of his death remain shrouded in mystery.... X-rays of Tutankhamen's skull suggest a violent death. Was it accident or murder? Several members of his family died around the same time--was is coincidence? Why did Tutankhamen's widow send desperate messages to the Hittite king, requesting marriage to one of his sons? And who murdered the Hittite prince on his journey to Egypt? Who ordered the removal of Tutankhamen's name from all monuments and temples, and thus from Egyptian history? This fascinating, painstakingly researched book is the first to explore in depth the questionable circumstances of Tutankhamen's demise--and to present a shocking scenario of betrayal, ambition, and murder. In *The Murder of Tutankhamen*, renowned Egyptologist Bob Brier reveals an exciting journey into ancient

history--and a 3,000 year-old mystery that still compels us today. "Brier's 3,000-year-old mystery steadily draws the reader into the curious and exotic world of Egyptology."--The New York Times INCLUDES 16 PAGES OF PHOTOS

King Tut's Tomb - Emily Rose Oachs 2019-08-01

A group of tourists crowds into a dusty room with brightly painted walls. They have entered King Tut's tomb! Priceless artifacts once filled every chamber of the tomb. Now they are in museums across the world, carrying on King Tut's legacy thousands of years after his death! This high-interest title uses vivid photographs, timelines, graphs, and profiles of important discoveries to introduce readers to the fascinating world of this ancient Egyptian ruler.

The Discovery of Tutankhamun's Tomb - Howard Carter 2022-11-13

This is the fascinating story of the greatest archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922. We experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter.

The Curse of the Mummy: Uncovering Tutankhamun's Tomb (Scholastic Focus) - Candace Fleming 2021-09-07

Award-winning and critically acclaimed author Candace Fleming presents the edge-of-your-seat true story of the search for Tutankhamun's tomb, the Western public's belief that the dig was cursed, and the battle for ownership of the treasures within. During the reign of the New Kingdom of Egypt, the boy pharaoh Tutankhamun ruled and died tragically young. In order to send him on his way into the afterlife, his tomb was filled with every treasure he would need after death. And then, it was lost to time, buried in the sands of the Valley of the Kings. His tomb was also said to be cursed. Centuries later, as Egyptomania gripped Europe, two Brits -- a rich earl with a habit for gambling and a disreputable, determined archeologist -- worked for years to rediscover and open Tutankhamun's tomb. But once it was uncovered, would ancient powers take their revenge for disturbing and even looting the pharaoh's resting place? What else could explain the mysterious illnesses, accidents, and deaths that began once it was found?

The Curse of King Tut's Mummy (Totally True Adventures) -

Kathleen Weidner Zoehfeld 2009-07-22

When the pharaohs of Egypt died, they were mummified and buried in pyramids and tombs with all their riches. But as centuries passed, the tombs were looted and the pharaohs' gold stolen. Then Howard Carter found the greatest Egyptian treasure trove of all--the tomb of King Tut's mummy! But did the amazing treasure come with a deadly curse?

The Discovery of Tutankhamun's Tomb - Howard Carter 2019-09-17

This is the fascinating story of the greatest archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922. We experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter.

Photographing Tutankhamun - Christina Riggs 2020-09-20

They are among the most famous and compelling photographs ever made in archaeology: Howard Carter kneeling before the burial shrines of Tutankhamun; life-size statues of the boy king on guard beside a doorway, tantalizingly sealed, in his tomb; or a solid gold coffin still draped with flowers cut more than 3,300 years ago. Yet until now, no study has explored the ways in which photography helped mythologize the tomb of Tutankhamun, nor the role photography played in shaping archaeological methods and interpretations, both in and beyond the field. This book undertakes the first critical analysis of the photographic archive formed during the ten-year clearance of the tomb, and in doing so explores the interface between photography and archaeology at a pivotal time for both. *Photographing Tutankhamun* foregrounds photography as a material, technical, and social process in early 20th-century archaeology, in order to question how the photograph made and remade 'ancient Egypt' in the waning age of colonial order.

The Tomb of Tutankhamun: Volume 3 - Howard Carter 2014-10-23

The discovery of the resting place of the great Egyptian Pharaoh Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. After the long search for the tomb and its initial discovery and excavation (volume 1), after the discovery of the king's resting place and

body (volume 2), the third and final volume of Howard Carter's account sees him reach the treasury, full of the incredible riches that the Pharaoh had sort to take with him to the world beyond and which had seemed lost to time before Carter's historic discovery. Now available in the Bloomsbury Revelations series, the book includes over 150 photographs of the treasury and its contents.

The Tomb of Tutankhamen - Howard Carter 1972

The leader of the excavation describes the events surrounding the 1922 discovery of Tutankhamen's tomb in Egypt's Valley of Kings

[The Tomb of Tutankhamun: Volume 2](#) - Howard Carter 2014-10-23

The discovery of the resting place of the great Egyptian Pharaoh Tutankhamun [Tut.ankh.Amen] in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering by thieves in antiquity, the burial of the king lay intact with its nest of coffins and funerary shrines, surrounded by a mass of burial equipment arranged in three peripheral chambers. Following on from the first volume's account of the search for and initial discovery of the team, in the second volume Howard Carter recounts the discovery of the king's burial chamber: the breakthrough to the four protective shrines, the revelation of the quartz-sandstone sarcophagus, the king's three coffins (his own of pure gold) and the bejewelled mummy of the Pharaoh himself. Now available in the Bloomsbury Revelations series, the book includes over 150 photographs of the treasures that lay within the great burial chamber of Tutankhamun.

[In the Valley of the Kings](#) - Daniel Meyerson 2009

In 1922, the British archaeologist Henry Carter opened King Tutankhamun's tomb, illuminating the glories of an ancient civilization. And while the world celebrated the extraordinary revelation that gave Carter international renown and an indelible place in history, by the time of his death, the discovery had nearly destroyed him. Now, in a stunning feat of narrative nonfiction, Daniel Meyerson has written a thrilling and evocative account of this remarkable man and his times. Carter began his career inauspiciously. At the age of seventeen-unknown, untrained, untried-he was hired as a copyist of tomb art by the brash, brilliant, and boldly unkempt father of modern archaeology, W. F. Petrie. Carter struck out on his own a few years later, sensing that something amazing lay buried beneath his feet, waiting for him to uncover it. But others had the same idea: The ancient cities of Egypt were crawling with European adventurers and their wealthy sponsors, each hoping to outdo the others with glittering discoveries-even as growing nationalist resentment against foreigners plundering the country's most treasured antiquities simmered dangerously in the background. Not until Carter met up with the risk-taking, adventure-loving occultist Lord Carnarvon did his fortunes change. There were stark differences in personality and temperament between the cantankerous Carter and his gregarious patron, but together they faced down endless ridicule from the most respected explorers of the day. Seven dusty and dispiriting years after their first meeting, their dream came to astonishing life. But there would be a price to pay for this partnership, their discovery, and the glory and fame it brought both men-and the chain of events that transpired in the wake of their success remains fascinating and shocking to this day. An enthralling story told with unprecedented verve, *In the Valley of the Kings* is a tale of mania and greed, of fame and lost fortune, of history and its damnations. As he did in *The Linguist and the Emperor*, Daniel Meyerson puts his exciting storytelling powers on full display, revealing an almost forgotten time when past and present came crashing together with the power to change-or curse-men's lives.

The Story of Tutankhamun - Patricia Cleveland-Peck 2020-06-25

Nominated for the CILIP Carnegie & Kate Greenaway Children's Book Awards 2018. Uncover the true story of an Egyptian king, and the 20th century explorer who found him. Discover the troubles Tutankhamun faced as a young king, his untimely death, and his legacy, which lay hidden for centuries. Pore over his treasures, learn the steps of mummification, and see Tutankhamun's fascinating story brought to life. Travel through history with Howard Carter, on his quest to uncover Tutankhamun's hidden tomb, his incredible discovery, and our continued hunt to understand and unearth the riches of Ancient Egyptian life. Prepare to be amazed as you uncover the story of the most famous boy king, and a world-changing discovery.

Tutankhamen and the Discovery of His Tomb by the Late Earl of Carnarvon and Mr. Howard Carter - Grafton Elliot Smith 1923

Collected here is a series of articles Smith wrote for "The Daily Telegraph" during the period when the newspapers were publishing daily reports of the progress of the work in Tutankhamen's tomb which discuss

the wider significance of the startling discoveries. He attempts to interpret deeper meaning of those Egyptian beliefs which found such brilliant expression in the luxuriously rich equipment of Tutankhamen's tomb brought to light (Nov. 1922) by the British archeologists, Lord Carnarvon and Howard Carter while exploring the Valley of the Tombs of the Kings.

Tutankhamun's Tomb - Susan J. Allen 2006

This richly illustrated book of vintage photographs commemorates one of the most memorable episodes in the history of archaeology: the discovery and exploration in 1922 of the tomb of the ancient Egyptian pharaoh Tutankhamun (Dynasty 18, ruled ca. 1336-1327 B.C.). These photographs, documenting every stage in the process of discovery, were taken by the renowned archaeological photographer Harry Burton. Burton was a staff member of the Metropolitan Museum Egyptian Expedition when he was "lent" to Howard Carter, the famed excavator of Tutankhamun's tomb. From the rock-cut steps leading down to the entrance passage, to the opening of the sealed chambers inside, to the first view of the contents of the tomb and the removal of the objects, Burton's beautiful black-and-white photographs show thousands of the richly made and decorated objects found in the tomb. Carefully reproduced from Burton's original prints, the photographs are accompanied by new descriptive text written by two prominent Egyptologists with extensive knowledge of the history of Tutankhamun and the contents of his tomb.

The Discovery of the Tomb of Tutankhamen - Howard Carter 2021-05-08

November 4, 1922. For six seasons the legendary Valley of the Kings has yielded no secrets to Howard Carter and his archeological team: "We had almost made up our minds that we were beaten," he writes, "and were preparing to leave The Valley and try our luck elsewhere; and then - hardly had we set hoe to ground in our last despairing effort than we made a discovery that far exceeded our wildest dreams." Join Howard Carter in his fascinating odyssey toward the most dramatic archeological find of the century - the tomb of Tutankhamen. Written by Carter in 1923, only a year after the discovery, this book captures the overwhelming exhilaration of the find, the painstaking, step-by-step process of excavation, and the wonder of opening a treasure-filled inner chamber whose regal inhabitant had been dead for 3,000 years. 104 on-the-spot photographs chronicle the phases of the discovery and the scrupulous cataloging of the treasures. The opening chapters discuss the life of Tutankhamen and earlier archeological work in the Valley of the Kings. An appendix contains fully captioned photographs of the objects obtained from the tomb. A new preface by Jon Manchip White adds information on Carter's career, recent opinions on Tutankhamen's reign, and the importance of Carter's discovery to Egyptologists. Millions have seen the stunning artifacts which came from the tomb - they are among the glories of the Cairo Museum, and have made triumphal tours to museums the world over. They are a testament to the enigmatic young king, and to the unwavering tenacity of the man who brought them to light as described in this remarkable narrative.

Tomb of the Golden Bird - Elizabeth Peters 2012-03-01

The chase is on - and Amelia Peabody and Co. are in the thick of it! 1922 - convinced that the tomb of the little-known King Tutankhamon lies somewhere in the Valley of the Kings, Emerson has tried to persuade his rivals Lord Carnarvon and Howard Carter to hand over their digging rights in the valley to him - but they resist. So back in Luxor an incident at the hotel the clan is staying in turns their gifts for digging in another direction. Emerson and Ramses are lured into a trap by a group of villains who demand answers to the mysterious question, 'Where is he?'. Their curiosity piqued, the duo is determined to uncover who 'he' is and why 'he' should be so important.

The Discovery of the Tomb of Tutankhamen - Howard Carter 2012-10-19

This book captures the painstaking, step-by-step process of excavation, and the wonders of the treasure-filled inner chamber. 106 on-the-spot photographs depict the phases of the discovery and the scrupulous cataloging of the treasures.

Howard and the Mummy - Tracey Fern 2018-08-07

"Howard dreamed of discovering a mummy, ... especially a royal mummy in its tomb, complete with all its treasures. When he was seventeen, he took a job with the Egypt Exploration Fund and was sent to Egypt to learn about archaeology and excavation sites. And his mummy hunt was on. Howard discovered many amazing artifacts, but he searched for years before coming upon the most famous mummy of all, King Tut"--Dust jacket flap.

Tutankhamun and the Tomb That Changed the World - Bob Brier

2022-10-15

It is often thought that the story of Tutankhamun ended when the thousands of dazzling items discovered by Howard Carter and Lord Carnarvon were transported to the Egyptian Museum in Cairo and put on display. But there is far more to the boy-king's story. *Tutankhamun and the Tomb that Changed the World* explores the 100 years of research on Tutankhamun that have taken place since the tomb's discovery, from the several objects in the tomb made of meteoritic iron that came from outer space to new evidence that shows that Tutankhamun may actually have been a warrior who went into battle. Author Bob Brier also takes readers behind the scenes of the recent CT-scans of Tutankhamun's mummy to reveal more secrets of the young pharaoh. The book also illustrates the wide-ranging impact the discovery of Tutankhamun's tomb had on fields beyond Egyptology. Brier examines how the discovery of the tomb influenced Egyptian politics and contributed to the downfall of colonialism in Egypt. Outside Egypt, the modern blockbuster exhibitions

that raise great sums of monies for museums around the world all began with Tutankhamun, as did the idea of documenting every object discovered in place before it was moved. And to a great extent, the modern fascination with ancient Egypt DL Egyptomania DL was also greatly promoted by the Tutmania that surrounded the discovery of the tomb. Deeply informed by the latest research and presented in vivid detail, *Tutankhamun and the Tomb that Changed the World* is a compelling introduction to the world's greatest archaeological discovery. [Tutankhamun and the Golden Age of the Pharaohs](#) - Zahi Hawass 2005 "A guide to an exhibition of some of the artifacts found in the tomb of Tutankhamun, discussing the life and death of the young king, daily life in ancient Egypt, and ancient Egyptian religion and funerary practices." -

Tutankhamen's Tomb - Jen Green 2006-11-01

Examines the contents of Tutankhamen's tomb and the history behind them, with facts about ancient Egyptian art, culture, and writing.
