Red in the Rainbow - Lynn Carneson 2011-04-21
Red in the Rainbow is a story of humanity in the face of political turmoil. Fred and Sarah Carneson were fiercely committed members of the Communist Party from the 1930s onwards.

Dedicated activists in brutal times, theirs is a story of political persecution, prolonged separation and enduring love. Lynn Carneson, their daughter, candidly narrates the terror, the pain and the joy of her extraordinary life as the

child of such dedicated freedom fighters, revealing how, despite endless campaigning, financial difficulty, emotional breakdown, banning, torture and imprisonment, the family managed to stay together. Based on personal recollection as well as letters, official records and newspaper articles, Lynn describes her parents' underground work and their involvement in watershed events such as the Treason Trial and the formation of Umkhonto we Sizwe. She evokes the tension of secretive operations and the family's constant surveillance by security police, as well as the trauma of her father's trial and prison sentence. Lynn vividly recounts their life as exiles in London and their long-awaited return to South Africa in 1991. *Red in the Rainbow* not only invokes Fred and Sarah's lifelong political struggles and triumphs in gripping detail, but also tells a poignant human story of endurance, courage and the survival of a marriage against all odds.

Sunrise with Seamonsters - Paul Theroux
1986-05-08

This collection of wide-ranging essays from the New York Times–bestselling travel writer is “a steamer trunk full of delights” (Chicago Sun-Times). This collection of decidedly opinionated articles, essays, and ruminations, by the author of *My Other Life* and *Kowloon Tong*, transports the reader not only to exotic, unexpected places in the world but also into the interior life of the writer himself. Whether it is his time serving in the Peace Corps, his memorable interview with tennis star John McEnroe, bearing witness to the uprising in Uganda, or the debt he owes to his mentor, V. S. Naipaul, Theroux approaches each subject with characteristic intelligence, insight, and an eye for life's great ironies. Over the course of two decades, Paul Theroux gathers people, places, and ideas in precise, evocative writing that “serves as both the camera and the

eye, and both the details and the illusions are developed with brilliance” (Time). “What makes Mr. Theroux most persuasive as a writer is simply his willingness to put himself on the line. . . . Gusty, personal, and astonishing.” —The New York Times “These pieces prove anew Theroux’s unflagging, infectious enthusiasms [sic] for exploring.” —Kirkus Reviews

In 1994, William Moore's father died in a hospital in England. Prioritizing work over family, William missed both his father's passing and the funeral, a choice that would haunt him for decades. Years later, the discovery of his father's travel journals catapulted him on a

journey of a lifetime. Alone, William traveled through Scotland in a camper van, following his father's footsteps in a quest to discover his father's true identity and how it shaped both his father's life and his own. Haunted by the ghost of his father, William interweaves excerpts of his father's journals with family history and his own past in a journey of faith that he must take alone, trusting in God to guide him in his solitary quest for self-discovery and the true meaning of family.

Chambers's Journal of Popular Literature, Science and Arts - 1897

Luso-American Literature - Robert Henry Moser 2011

Portuguese and Cape Verdean immigrants have had a significant presence in North America since the nineteenth century. Recently, Brazilians have also established vibrant communities in the U.S. This anthology brings together, for the first time in English, the

writings of these diverse Portuguese-speaking, or "Luso-American" voices. Historically linked by language, colonial experience, and cultural influence, yet ethnically distinct, Luso-Americans have often been labeled an "invisible minority." This collection seeks to address this lacuna, with a broad mosaic of prose, poetry, essays, memoir, and other writings by more than fifty prominent literary figures--immigrants and their descendants, as well as exiles and sojourners. It is an unprecedented gathering of published, unpublished, forgotten, and translated writings by a transnational community that both defies the stereotypes of ethnic literature, and embodies the drama of the immigrant experience.

STREETS OF FIRE - Phumza Shirley
Mbuthuma

An autobiographical book about how the author grew up on the streets of Soweto in Johannesburg, the matter pertaining to her way of living in the township during the apartheid years, and how her biological father fought for their land and died with nothing after the land has received freedom.

Spice Odyssey - Cariema Isaacs 2019-04-01
From the author and chef of *Cooking for my father in My Cape Malay Kitchen*, comes a cookbook that chronicles her adulation and reverence for spices. Cariema Isaacs's affinity for spices emanates from her Cape Malay heritage and time spent cooking and baking in her grandmother's kitchen in Bo-Kaap, the Cape

Malay Quarter in Cape Town. Thus, at a very early age she understood the tastes derived from cumin and coriander, the pungency of fennel, cloves and star anise, and the piquancy of chilli powder, cayenne pepper and masala blends. *Spice Odyssey* showcases a multitude of beautifully written recipes with some familiar spices from her Cape Malay heritage and fresh aromatics from her travels to India, Turkey, Malaysia, Sri Lanka and the Middle East.

Big Summer - Jennifer Weiner 2020-05-05
AN INSTANT NEW YORK TIMES BESTSELLER
"Sexy and satisfying, *Big Summer* is the perfect quarantine read." —USA TODAY "The beach read to end all beach reads." —Entertainment Weekly "Big fun, and then some. It's empowering and surprising—a reminder to put down the phone and enjoy each moment for what it is." —The Washington Post A deliciously funny, remarkably poignant, and simply unputdownable novel about the power of friendship, the lure of frenemies, and the

importance of making peace with yourself through all life's ups and down. From the #1 New York Times bestselling author of *Good in Bed* and *Best Friends Forever*, *Big Summer* is the perfect escape with one of the most lovable heroines to come to the page in years. Six years after the fight that ended their friendship, Daphne Berg is shocked when Drue Cavanaugh walks back into her life, looking as lovely and successful as ever, with a massive favor to ask. Daphne hasn't spoken one word to Drue in all this time—she doesn't even hate-follow her ex-best friend on social media—so when Drue asks if she will be her maid-of-honor at the society wedding of the summer, Daphne is rightfully speechless. Drue was always the one who had everything—except the ability to hold onto friends. Meanwhile, Daphne's no longer the same self-effacing sidekick she was back in high school. She's built a life that she loves, including a growing career as a plus-size Instagram influencer. Letting glamorous, seductive Drue

back into her life is risky, but it comes with an invitation to spend a weekend in a waterfront Cape Cod mansion. When Drue begs and pleads and dangles the prospect of cute single guys, Daphne finds herself powerless as ever to resist her friend's siren song. A sparkling novel about the complexities of female relationships, the pitfalls of living out loud and online, and the resilience of the human heart, *Big Summer* is a witty, moving story about family, friendship, and figuring out what matters most.

Islands Magazine - 1993-05

Heave - Christy Ann Conlin 2011-01-28
Bursting with wonder and delicate despair, Serrie Sullivan longs for the world, but she's trapped, just like Dorothy in Oz. Serrie's got a nasty secret. It's festering inside her, because in the gothic Annapolis Valley, hey, that's what you do — you never show and you never, ever tell. As she dashes from her wedding altar on the run of her life, ardently wanting to understand what

has brought her to this moment, Serrie sweeps us up in an exhilarating and poignant journey from rural Nova Scotia to London bars, to strip clubs by the docks, through mental hospital wards and rehab centres, back to quiet verandahs and porch swings in serene Lupin Cove. Along the way we meet a delightful array of off-beat characters including Serrie's best friends, Dearie and Elizabeth: Dearie, the anglicized Acadian who wants to go to New Orleans to find her Cajun relatives, and Elizabeth, who would like nothing better than to spend the rest of her life picking strawberries. Heave explores the joys and agonies of family, of what one generation inherits from the next, and of how past and present are inexorably linked. Memories weave through the book as Serrie searches for equanimity in a life that intoxicates her with its beauty as it knocks her to her knees. Curried - Cariema Isaacs 2021-04-01
Acclaimed food writer and chef Cariema Isaacs offers a joyful homage to one of the world's most

beloved and versatile dishes: the curry. Inspired by memories of the slow-cooked Cape Malay curries of her childhood in South Africa as well as the fast-paced landscape of the Middle East where she lives today, Curried embodies a culinary curiosity and global consciousness for the times. Mindful of both environmental responsibility and affordability, Cariema celebrates the nourishing comfort of pulses and legumes in a multitude of wholesome and delicious vegetarian curries for everyday cooking and any budget. Her repertoire of firm favourites from around the globe includes meat and seafood-based gems for special occasions and are accompanied by a delectable selection of desserts, condiments, rice and breads. With Cariema's love of writing manifest on every page, the breathtaking array of carefully crafted and beautifully photographed recipes promises many hours of reading, cooking and eating pleasure.

Cape Malay Cookbook - Faldela Williams 1988

A Backward Glance - Edith Wharton

2013-11-20

Originally published in 1934, *A Backward Glance* is a memoir written by Wharton in her last years. The book dwells on Wharton's early and middle life leading up to and including her experiences during the First World War. The final chapter covers her life after the war, close on twenty years, emphasising a Mediterranean cruise and the unexpected death of her friend Geoffrey Scott. This is most certainly a writer's memoir rather than an autobiographical narrative. The writing itself is poised and mature; Wharton here reads like a confident artisan, at ease with her profession and happy to reel off her thought and remembrances. The reason it isn't an

autobiography in the strictest sense is that Wharton leaves so much of her life out of the book, some of it for obvious reasons – such as the Morton Fullerton affair – and others maybe because she just can't be bothered. That aside, it's a joy to read.

Liberation after 20 years of war in my head -

Thulani 2020-05-07

Thulani Tomose doesn't want pity, but to show that a better life is possible despite the most adverse conditions. Born in South Africa, she lives first with her aunt, then with her father. Both are abused and raped. When she was 13 years old she brought her mother to Switzerland. After crises with cannabis, alcohol, depression and an attempted suicide after the death of her sister, she gets her act together, does an apprenticeship as a hairdresser, then as a nurse for the elderly. In a serious car accident she suffers head trauma, cerebral hemorrhage and memory loss. She spends three months in a vegetative state, has several epileptic seizures

and traumas. But she tries everything to tackle life again with strength and courage, not least for her six-year-old son.

Traditional South African Cooking - Magdaleen van Wyk 2014-08-14

Anyone who longs for a beloved grandmother's famous milk tart or melkkos, or a great aunt's delicious bobotie or vetkoek, should have this book in his or her kitchen! Traditional South African Cooking is a collection of well-known

South African recipes that will enable the modern cook to continue the tradition and produce the same delicious meals that our ancestors used to enjoy. South African cuisine is a unique blend of the culinary art of many different cultures. Dutch, French, German and British settlers, as well as the Malays who came from the East, all brought their own recipes to this country. The subtle adaptation of these 'imported' recipes by the addition of local ingredients and the introduction of innovative (at the time) cooking methods resulted in an original and much-loved cuisine. This book also features interesting snippets about our forebears' way of life.

In Cod We Trust - Heather Atwood 2015-07-15
When people think of dock-side dining in Massachusetts they imagine buttery toasted lobster rolls, steaming bowls of creamy fish

chowder, and alabaster-white slabs of baked cod piled with bread crumbs, but its rich and varied cuisine reflects all who have come to call these seaports home. Cultures—including, Sicilian, Portuguese, Finnish, and Irish—that fished and worked the granite quarries there a century ago were so tightly bound that generations have stayed and continue to leave their culinary mark on coastline. In *Cod We Trust* features over 175 recipes that celebrate the area's unique place in the culinary world, and is a photographic journey for both people who love the area and those who hope to visit one day.

[The Barefoot Executive](#) - Carrie Wilkerson
2011-08-23

For the person who longs to run their business from home, author Carrie Wilkerson says it is possible. She says to the reader: reclaim your time, determine your income, and change your lifestyle—all while keeping personal priorities intact. Successful at running her own seven-figure business from home—and an active

speaker on the subject—the author demonstrates business models with tables and charts in an easy-to-understand format. Chapters include such subjects as finding a target market, marketing strategies, and brand development. Especially important are the common pitfalls listed to avoid in starting a business from home. To succeed as the barefoot executive, “Do what you are qualified to do most immediately for maximum profit,” the author says. “Then, you are free to pursue what you are passionate about.”

Sifo - The Cooking Husband - Sinoyolo Sifo
2022-06-02

Sinoyolo Sifo is a husband that cooks. His goal: to break the gender stereotypes that surround male figures in the kitchen and encourage more men to cook. As he says, the kitchen is no longer the domain of women only, and men need to get more comfortable in the kitchen, so they can share equally in the responsibilities of day-to-day life and its demands. Using what he calls ‘the

universal language of food', Sifo: The Cooking Husband is an invitation to readers - men and women alike -- to share in the joy of making memories through food. Inspired by the nostalgia of home and family, this book brings together a selection of almost 70 recipes, each one simple and accessible, wholesome and delicious. There are scrumptious breakfasts, indulgent pasta dishes, hearty stews, quick lunches, impressive dinners, decadent desserts, as well as traditional South African dishes and some childhood favourites. Whether you are a newbie cook still finding your way around the kitchen, or more confident in your culinary abilities, these recipes are sure to satisfy the foodie in you.

[South Africa Eats](#) - Phillipa Cheifitz 2009

Harvesting the Bay - Ray Huling 2012-07-03

"If we mean to change our ways, how will we do it? How will we make our food and our system of food production healthy, sustainable, and

secure? How will we make them, in a word, sane? Who will do this work?" Ray Huling knows the hard realities of shellfishing. His father and grandfathers were shellfishermen on Rhode Island's Narragansett Bay, laborers in an age-old trade. Because he grew up surrounded by quahaugers, the industry is in his blood and the drive to keep it sustainable is what makes up his family history. In *Harvesting the Bay*, Huling answers these pressing questions and delivers a moving portrait of the men and women who work the waters of the Atlantic Coast in the harsh environment of the shellfishing industry. Huling argues that any successful sustainable food enterprise will likely resemble shellfishing in Rhode Island, an industry that has existed sustainably for over 150 years, with its complex system of governance, its fierce and obsessive workforce, and its conflicts within communities and between generations. This thought-provoking book sets the complexities of sustainable food production against a

heartwarming story of one family's enduring years of work on the seas.

Pretty in Plaid - Jen Lancaster 2009-05-05

Jen Lancaster's cultural inferiority complex had to come from somewhere...and now fans can find out where in this hilarious New York Times bestselling memoir from the author of Bitter is the New Black. Before she was bitter, before she was lazy, Jen Lancaster was a badge-hungry Junior Girl Scout with a knack for extortion, an aspiring sorority girl who didn't know her Coach from her Louis Vuitton, and a budding executive who found herself bewildered by her first encounter with a fax machine. In this hilarious and touching memoir, Jen Lancaster looks back on her life—and wardrobe—and reveals a young woman not so different from the rest of us. Prepare to take a long walk in her (drool-worthy) shoes in this humorous and heartwarming trip down memory lane.

Why Me Father? - C. Christine Pressley
2020-02-28

cooking-for-my-father-in-my-cape-malay-kitchen

I chose the title of this book because that was the question I ask almost every minute of my life. Whether it be to my earth-bound father or my heavenly Father. I was raised believing in God, so when these tragic events happened in my life, the question got even more frequent; I could not understand what I had done so bad in my life to be treated like I was. Through God's help, I don't ask that question anymore. I understand that there is a reason for every second of our life, whether good or bad. I finally understand we may not know that reason, but God knows and that is fine with me. I know God is always with us through our journey on this earth. This book was so hard for me to write emotionally, to let everyone know my emotional and physical pain. But I felt drawn by God to let everyone know God is real and he is there for you. All you have to do is ask. May God bless you and your family.

My Cape Malay Kitchen - Cariema Isaacs

Downloaded from redjacketclothing.com
on by guest

The magical difference between food prepared in a restaurant and that in a home kitchen for family and friends, is a little ingredient called love. And love is most evident in what is essentially Cariema Isaacs's tribute to her late father as she shares their mutual passion for food and cooking, as well as their Cape Malay heritage. My Cape Malay Kitchen is a breathtakingly beautiful presentation of some 80 traditional Cape Malay recipes as well as a selection of modern dishes. These are accompanied by Cariema's depiction of her childhood growing up in Bo-Kaap - the Cape Malay Quarter of Cape Town. She includes the religious and cultural ceremonies, as well as events that have shaped the Cape Malay community into the unique community it is today. But My Cape Malay Kitchen is still a cookbook, packed with flavourful food, richly spiced curries, indulgent cakes and decadent desserts, all illustrated with truly inspirational photography.

Life Digested - Pete Goffe-Wood 2014-11-01

A Life Digested charts a path through Pete's culinary experiences from his early amorous endeavors to his take on tricky customers, picky eaters and the top restaurants he has run, worked in and dined at over the years. Each chapter is driven by stories he has written which revolve around what Pete finds most important as a cook. Rather than a typical anthology of starters, main courses and desserts, A Life Digested is a book that needs to be read and savoured, just as you would his food. Part memoir, part cookbook, loaded with funny anecdotes of his own cheffing adventures, epic meals, formative influences, pet peeves and packed with some of his most cherished recipes, A Life Digested is a fantastic look into the life of one of South Africa's favourite chefs.

Swords Across the Thames - Haley Elizabeth

Garwood 1999-04

Princess Ethelfled always dreams of assisting her father and husband in battle and when an opportunity arises for her to enter the war with the Vikings she fights along with them

Spoon Fed - Kim Severson 2010-04-15

From the prominent New York Times food writer, a memoir recounting the tough life lessons she learned from a generation of female cooks-including Marion Cunningham, Alice Waters, Ruth Reichl, Rachael Ray, and Marcella Hazan. Somewhere between the lessons her mother taught her as a child and the ones she is now trying to teach her own daughter, Kim Severson stumbled. She lost sight of what mattered, of who she was and who she wanted to be, and of how she wanted to live her life. It took a series of women cooks to reteach her the life lessons she forgot-and some she had never learned in the first place. Some as small as a spoonful, and others so big they saved her life, the best lessons she found were delivered in the

kitchen. Told in Severson's frank, often funny, always perceptive style, Spoon Fed weaves together the stories of eight important cooks with the lessons they taught her-lessons that seemed to come right when she needed them most. We follow Kim's journey from an awkward adolescent to an adult who channeled her passions into failing relationships, alcohol, and professional ambition, almost losing herself in the process. Finally as Severson finds sobriety and starts a family of her own, we see her mature into a strong, successful woman, as we learn alongside her. An emotionally rich, multilayered memoir and an inspirational, illuminating series of profiles of the most influential women in the world of food, Spoon Fed is Severson's story and the story of the women who came before her-and ultimately, a testament to the wisdom that can be found in the kitchen.

Dinner with Dad - Cameron Stracher
2008-08-19

In a heartwarming, insightful memoir, a harried working father describes how, driven by a lack of communication with his wife, a lack of connection with his children, and his emphasis on work over family, he made the decision to make sure that he would be home at six p.m. to enjoy a healthy meal with his family, five nights a week, for the next year. Reprint.
