Pick a time and place where the two of you can spend some time looking through the ideas. Some ideas you might giggle at, some you will toss out as "not for you," others you will pursue with pure lust. Enjoy them. Pick one out, and give it to your lover. Or, put the coupon in an "I Love You" card, and leave it by their morning coffee. Great sex is beautiful - two lovers creating their own music. In these cultures, sensuality is usually equated with sexuality, so touch is frequently taboo in all but the most intimate of situations.

Mister Toebones - Brooks Haxton 2021-03-23

In these marvelous pages, the award-winning poet turns a searching gaze toward the shared habitat and intertwined fates of man and animal. He looks back and forward in time, down at the soil, up at the stars, and deeply into his personal relationships. Brooks Haxton has been writing for years about the connections between human beings and the creatures we find fascinating. Mister Toebones, his new collection, draws its title from a nickname Haxton gives to a daddy longlegs he sees at his father's grave. In another poem, the poet and his mother, in search of a swimming hole, find a copperhead rearing to strike, about to birth its live young. Elsewhere, waist-deep in the Mississippi River, under the Atlantic Ocean, on the cracked ice of a frozen pond, even in outer space, the poet explores regions and forces that seem past endurance. Taking stock of threats against human survival, our own recklessness chief among them, these poems seek among visionaries and despots, scientific prodigies, murderers, and lovers what vitality may come from an alertness to all living things.
