Meet My Stepmom - Michelle

Suzanne Collopy 2017-08-11

Meet My Stepmom is a book that will assist parents of all walks of life how to talk about and teach their child what a stepparent is. Such tools are hard to find. Introducing a stepparent from the inside can be difficult for a child. It can be scary or even embarrassing to explain to friends. It is the authors vision to assist you with easing that burden. For the family who would like to help their child understand what a friend or classmate is experiencing in their home, this book will also be helpful. In this day and age, the blended and stepfamily life is very common. We must work together to eliminate the negativity associated with single parents and stepparents. The more people who love and care for a child, the better. Please stay tuned for more

from Connor and his loving family.

Dear George Clooney - Susin Nielsen 2012-04-10

Violet's TV-director dad has traded a job in Vancouver for one in Los Angeles, their run-down house for a sleek ranch-style home complete with a pool, and, worst of all, Violet's mother for a trophy wife, a blonde actress named Jennica. Violet's younger sister reacts by bed-wetting, and her mother ping-pongs from one loser to another, searching for love. As for Violet, she gets angry in ways that are by turns infuriating, shocking, and hilarious. When her mother takes up with the unfortunately named Dudley Wiener, Violet and her friend Phoebe decide that they need to take control. If Violet's mom can't pick a decent man herself, they will help her snag George Clooney. In *Dear George Clooney, Please Marry My Mom*, Susin Nielsen has created a truly original protagonist in Violet and a brilliant new novel that will delight readers into rooting for her, even when she's at her

A Mother's Guide to Raising Herself - Sarah Bragg
2021-08-17

For any mom who has ever felt inadequate, overwhelmed, or guilty in trying to balance it all, popular podcaster Sarah Bragg offers brilliant clarity and respite in this friendly manual for becoming your most authentic self, instead of just surviving motherhood. Nothing will make you grow up faster than trying to raise a kid. This is what popular podcast host and mom Sarah Bragg explores so beautifully as she encourages and equips moms who are discovering all the ways they still need to grow. It's easy to lose our sense of self in the all-consuming process of raising our children, but Sarah reminds us that the best gift we can bring to our kids is our true, authentic selves. Through vulnerable and relatable stories, no-nonsense wisdom, and a compassionate perspective for all the joys and challenges of motherhood, Sarah provides shame-free practical help to surviving right

where you are in life, in relationships, in work, and in faith. This guidebook to health and sanity for the wilderness of parenting will help you: Give yourself permission and find the courage to show up as yourself. Wrestle with how purpose, work, and calling fit together. Notice and celebrate the good that's happening right around you. Remember your worth is not in your kids or your role as a parent but in something far more lasting. Find solidarity, understanding, and helpful encouragement to embrace all that motherhood is and remember who you truly are. Because you matter, and raising great kids starts with raising yourself well.

Happy You, Happy Family - Kelly Holmes 2017-06

You want to be a loving parent who guides your kids towards a life of happiness and success. But the chaos of parenting life leaves you feeling overwhelmed, stressed, or just vaguely annoyed all the time. (Or maybe it's not so vague.) With this practical guide for busy parents and a bonus

powerful parenting techniques-inspired by the research-based practices of summer camp-to help kids thrive and families become closer. Research has proven that kids are happier and gain essential social and emotional skills at camp. A recognized parenting expert, Audrey Monke distills what she's learned from thousands of interactions with campers, camp counselors, and parents, and from her research in positive psychology, to offer intentional strategies parents can use to foster the benefits of camp at home. Our screen-obsessed, competitive society makes it harder than ever to raise happy, thriving kids. But there are tried-and-true methods that can help. Instead of rearing a generation of children who are overwhelmed, anxious, depressed, and who struggle to become independent, responsible adults, parents can create a culture that promotes the growth of important character traits and the social skills kids need for meaningful, successful lives. Thousands of parents

attest to the "magical" benefits of summer camp for their kids, noting their children return more joyful, positive, confident, and resilient after just a few weeks. But you can learn exactly what it takes to promote these benefits at home. Complete with specific ideas to implement the most effective summer camp secrets, HAPPY CAMPERS is a one of a kind resource for raising happy, socially intelligent, successful kids.

Primates of Park Avenue -

Wednesday Martin 2016-05-31

"Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place.

*Downloaded from
redjacketclothing.com on
by guest*

She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want--safety, happiness, and success--and not even sky-high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of

anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, *Primates of Park Avenue* lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood"--

[About My Mother](#) - Peggy Rowe
2018-11-13

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, *About My Mother* is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, *About My Mother* is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike

Downloaded from
redjacketclothing.com on

A love letter to mothers everywhere, *About My Mother* will make you laugh and cry—and see yourself in its reflection. Peggy Rowe’s story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there’s a Thelma in everyone’s life. Shes the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma

tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we’re more alike than we know. And in case you’re wondering, Peggy knows a thing or two about dirty jobs herself...

Love What Matters -

LoveWhatMatters 2017-05-02

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life’s most important moments, as curated by the editors at Love What Matters. “90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting.”

—Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness

and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even

more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

[I Love My Bonus Mom](#) - Anna Cerridwen 2018-06-22

Whether it's dancing in the rain, getting all mucky or tickling those toes, this bonus mom and her child have the best times together. Beautifully illustrated and full of fun, 'I love my Bonus Mom' tells us that no matter what she looks like and whatever the living arrangement, the most important thing to a child is that their bonus mom helps them feel happy and loves them lots. This special book will leave you with a lovely warm feeling and you'll want to read it together again and again. This book is written to be suitable for adults to read to children ages 2-6, and for children aged 5-8 to be able to read themselves. It is for all bonus moms and children who have a close loving

relationship, regardless of the current living situation. It is relevant to both bonus sons and bonus daughters.

The Possibility Mom - Lisa Canning 2019-04-02

An interior designer and lifestyle coach helps modern moms design lives they love with less stress, less guilt, and more time to pursue their dreams. Balancing the demands of modern motherhood is a tough job. Between kids, work obligations, social commitments, and household duties, trying to fit in a little me time (let alone a date night) can seem practically impossible. For many moms, doing well at work makes them feel like they're failing at home, and when they focus on their family, they feel like they're falling behind at work. It's a vicious cycle that all too often lead to burnout—but there really is another way. The Possibility Mom provides practical solutions for keeping the balance of a modern mother's life with less stress, less guilt, and more

satisfaction. Here, you'll learn smart ways to trim your to-do list, clarify your priorities, get more done in less time, and live the life you love—one that you design.

My Bonus Mom! - Tami Butcher 2016-06-06

In rhythmic verse, *My Bonus Mom!*, shows children of divorced families that a positive attitude can lead to a happy outcome and springs open their hearts and minds to accept their own bonus moms. It captures the mixed emotions that surge through young children as they deal with divorce and adjust to remarriage. The children work through their feelings of dismay, fear and anger, and grow to love dad's new wife, whom they come to think of as their bonus mom. Twice the attention, twice the love, twice the fun and twice as many birthday presents! What's not to love? Earned Honorable Mention at 2013 Southern California Book Festival!

The Not So Wicked Stepmother - Leslie Allgood Venable 1999-07-01

Downloaded from
redjacketclothing.com on
by guest

Olivia & Maria are two young sisters who are coping with the recent divorce of their parents. Later, when their dad begins dating again, the sisters decide to make sure he's dating someone who is right for them too. When dad does meet that someone, Olivia & Maria are happy. Then dad announces his plan to remarry. Now the girls must cope with the experience of having a stepmother. Will she be like the wicked stepmother in the story, Cinderella? As one who has experienced the role of stepmother twice, I can assure you that it is a role one must give careful consideration. You are not only making a commitment to your partner, but also to his children. As a stepmother, I had always searched unsuccessfully for a children's book depicting stepmothers in a positive way. Something to erase the indelible image of the "wicked" stepmother in the story Cinderella. I wanted them to have confirmation that not ALL stepmothers are mean & indifferent. Much to my

dismay, I was never able to present them with anything tangible. And so, these frightened children were left to battle the situation with very little reassurance of a positive outcome. Finally, I decided to put teaching on the back burner & do something about this dilemma. I would write a children's book on a subject I knew something about & felt that children, divorced singles with children & stepparents desperately needed. My hope is that those who read "The Not No Wicked Stepmother" will come away with a positive attitude about stepfamilies & some ideas about how to make them successful. Leslie Venable was born in Birmingham, Alabama in 1960. She received her Bachelor of Science degree in Psychology in 1986 from the University of Alabama & her Master of Arts in teaching from Our Lady of the Elms College in Chicopee, Massachusetts before becoming a writer/publisher of children's books. Using her experience from both teaching & counseling children, she

between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

Would You Do That to Your Mother? - Jeanne Bliss
2018-05-08

*Downloaded from
redjacketclothing.com on
by guest*

Customer experience pioneer Jeanne Bliss shows why “Make Mom Proud” companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers, by focusing on one deceptively simple question: “Would you do that to your mother?” “Make Mom Proud” companies give customers the treatment they desire, and employees the ability to deliver it. They turn “gotcha” moments into “we’ve got your back” moments by rethinking business practices, and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values, grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and implementing actions at every level of the organization. Step 1. “Be the Person I Raised You

to Be” Understand how you are hiring, developing and trusting employees to bring the best version of themselves to work. Vail resorts, for example, the world's largest ski resort operator, banned the three words “Our policy is...” from their vocabulary, freeing employees to take spirited actions to deliver “the experience of a lifetime.” Step 2. “Don’t Make Me Feed You Soap” Learn the eight key frustrations that bind us as customers (waiting, fear, anxiety, the black hole of no communication, etc.) and how to apply actions from companies who are delivering a seamless, frictionless and easy experience. Step 3. “Put Others Before Yourself” Determine if your focus is on helping customers achieve their goals – and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic, so they could redesign their welcome to deliver warmth and caring over

procedure and process. The newly designed clinic achieved profitability in record time.

Step 4. "Take the High Road" Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named #1 U.S. hotel by Conde Nast Reader's Choice Awards, walked away from price gouging at the mini bar, so you'll never pay more for that Snickers bar than what you'd pay at the corner market.

Step 5. "Stop the Shenanigans!" Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy to follow guide for your experience and culture transformation. Filled with comics to snapshot our experiences as customers, a "mom lens" to reflect continuously on your performance, and a "make-mom-proud-ometer" quiz - the book makes Bliss's approach accessible and approachable. Join the movement to

#MakeMomProud by applying this book across your organization. Whether you're contemplating your company's returns policy, its social media presence, or its big-picture strategy, this approach will help your company anticipate both employee and customer needs, extend patience, and show respect at all times.

From Mom to Me Again -

Melissa Shultz 2016-07-05

Live your best life—even after your kids leave home When her children left for college, Melissa Shultz was certain that she had prepared them well for their new lives-but her own life was a different matter entirely. Her house was empty, her purpose unclear. If her life was no longer dominated by the day-to-day demands of being "Mom," then who exactly was she? And how would she ever move forward? From Mom to Me Again is the story of one woman's reinvention. Shultz's struggle with the empty nest and the transformation of her marriage, friendships, career, and ultimately herself, is part memoir and part self-help

Downloaded from
redjacketclothing.com on
by guest

guide. Funny, poignant, and practical, this book tells Shultz's personal story and provides valuable advice for readers preparing to send their children off into the world. She shows women that while they'll always be mothers, it's time for them to take center stage in their own lives once again.

Mommy Burnout - Dr. Sheryl G. Ziegler 2018-02-20

The ultimate must-read handbook for the modern mother: a practical, and positive tool to help free women from the debilitating notion of being the "perfect mom," filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you "over" being a mother? If you answered yes to these questions, you're not alone. Parents today want to create

the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most "liked" photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to "mommy burnout." Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with

Downloaded from
redjacketclothing.com on
by guest

families and children, Dr. Z has devised a prescriptive program for addressing "mommy burnout"—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

First Mothers - Bonnie Angelo
2009-10-06

Bonnie Angelo, a veteran reporter and writer for Time, has captured the daily lives, thoughts, and feelings of the remarkable women who played such a large role in developing the characters of the modern American presidents. From formidably aristocratic Sara Delano Roosevelt to diehard Democrat Martha Truman, champion athlete Dorothy Bush, and hard-living Virginia Clinton Kelley, Angelo blends these women's stories with the

texture of their lives and with colorful details of their times. *First Mothers* is an in-depth look at the special mother-son relationships that nurtured and helped propel the last twelve American presidents to the pinnacle of power.

Bonus Love - Jessica Dooley
2020-07-03

This book is the story of a little girl who is gaining a bonus mom. She walks through the emotions and challenges faced when a new person came into her Dad's life and thus became a part of the family. This is a great conversation starter for parents and children, aiding in their adjustment to a new addition to their family.

My Money My Way - Kumiko Love
2022-02-01

Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take

back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her

teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will

teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

My Mom, the Lawyer - Michelle Browning Coughlin 2019-11

Read along as kids tell you all about their moms, who are all different kinds of lawyers and leaders. This sweet story about inspiring moms, and the kids they love, will be a treasured favorite and a great gift for the lawyer-moms in your life!

My Working Mom - Peter Glassman 2001-08-01

Although she sometimes resents her mother's work as a witch, a young girl decides to keep her mother just the way she is, in a perfect-for-Halloween tale about the ups and downs of having a working parent. Reprint.

M.O.M.--Master Organizer of Mayhem - Kristi Clover 2019-09-03

Getting--and staying--organized is a challenge in and of itself. Add motherhood to the mix, and you've got a whole new

dimension of difficulty. So how does a busy mom stay on top of the daily chaos that children inevitably bring along with them? No matter what your situation is, Kristi Clover's home organization systems will work for you. Her foundational rules are highly adaptable and will help you make your home more efficient no matter where you live or how many kids you have (and how messy they are). She helps you prioritize, break down big jobs, declutter, develop age-appropriate chores for your kids, tackle the endless piles of laundry, and so much more. If you long to have a functional and fabulous home for your family and you're tired of feeling overwhelmed by all the work, this life-changing book is for you!

Parenting Apart - Christina McGhee 2011-06-02

When a marriage ends, the most important thing divorcing parents can do is to help their children through this difficult transition and remain united as parents even if they are no longer united as a couple. In *Parenting Apart* divorce coach

Christina McGhee offers practical advice on how to help children adjust and thrive during and after separation and divorce. She looks at all the different issues parents may face with their children of different ages, offering immediate solutions to the most critical parenting problems divorce brings, including:

- When to tell your children about the divorce and what to say
- How to create a loving, secure home if your child doesn't live with you full time
- What to do if your child is angry or sad
- How to manage the legal system, including information on family law and issues of custody
- How to deal with a difficult ex

This is an invaluable resource that offers parents quick access to the information you most need at a time when you need it most.

I'm Glad My Mom Died - Jennette McCurdy 2022-08-09

#1 NEW YORK TIMES

BESTSELLER #1

INTERNATIONAL

BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette

Downloaded from
redjacketclothing.com on
by guest

McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame.

Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Praying Mom - Brooke McGlothlin 2021-08-03

"God, I need you to do something in my children!" Have those words found their way into your desperate prayers? Do you feel helpless to know how to equip your

children for this world and all it throws at them? If so, you're not alone. When Brooke McGlothlin realized her best efforts were falling woefully short of her goal to produce godly children, she discovered the joy and power of praying Scripture over her family. Her life and her children's lives were transformed. Yours can be too. Complete with prayers for specific situations, this encouraging book is perfect for times when you · feel too busy to pray, · don't know what or how to pray, · don't know if your prayers really matter. Nothing is more powerful and faith-building than praying God's Word for those you love. Become a mom full of hope in the God who can, even if you can't. "Praying Mom is the prayer mentor you've always wanted from a mom who absolutely lives this message on her knees."--STACEY

Threadbare Prayer

When I Married My Mother -
Jo Maeder 2009-04-07

Jo Maeder was an ambitious DJ in New York City when she did

the unthinkable: she moved to the Bible Belt to look after her frail, estranged mother, who had long been a source of intense frustration. Maeder's tumultuous journey from simply living with "Mama Jo" to learning to truly love her not only changed Maeder's life, but also was the catalyst for pulling her long-fractured family together again. Though often rocky, their "marriage" was a triumph that taught her about life, faith, and what really matters. With an estimated 34 million informal caregivers in the United States today, more and more adult children are finding themselves in similar circumstances. Poignant and refreshingly funny, Maeder's story will resonate with this vast audience, providing an informative and inspirational roadmap for compassionate elder care.

My Super Stepmom - Nicole
Bauer 2015-07-28

On Reading: Ethan misses his mom, but he now has a new stepmother. Follow along as Ethan discovers how having a stepmom can be special, too! Features: More than an insightful story about grief, divorce, and parents remarrying, this kids book also includes a vocabulary list as well as reading and teaching tips for additional interaction and engagement on the topics discussed in the story. Leveled Books: Vibrant illustrations and leveled text work together to engage your child and promote reading comprehension skills. The leveled book engages k-grade 2 readers with new vocabulary and relevant topics like loss, divorce, and stepparents. Why Rourke Educational Media: Since 1980, Rourke Publishing Company has specialized in publishing engaging and diverse non-fiction and fiction books for children in a wide range of subjects that support reading success on a level that has no limits.

I Have a Stepmom - Colleen LeMaire 2015-05-28

Despite the age old fairy tales, Stepmothers are far from evil. They love their family with all their heart and have an important yet challenging role to take on in today's blended household. This story helps define the relationship between a Stepmom and her stepkids, and teaches children that LOVE is what makes someone family.
