Islands, a Coloring Book for Teens and Kids, 30 Hand-Drawn Drawings, 30 Poems and Recipes - Shelley Gilbert 2010-05

"Islands, A Coloring Book for Teens and Kids, 30 Hand-Drawn Drawings, 30 Poems and Recipes" by Shelley Gilbert, Award-winning Author, Artist, is a unique, super-creative activity and thought provoking book. This book is No.2 in the "Islands" series. The first is "Islands, A Coloring Book for Adults, 30 Drawings, 30 Poems" 2001. The third Islands book is for Adults, Volume 2. Islands books are about being an individual, about being yourself. The drawings contain a great variety of space sizes to color-large, medium, small. The abstract drawings will engage a young person's own imagination because the shapes look like different things to different people and will evoke personal thoughts and emotions. The drawings have original poems that interpret them (1st -12th Grades). The poems's messages will entertain and intrigue young people to think about life. The poems contain many themes: butterflies, moons, connection, fruit, saving money, feelings, blizzards, the importance of thinking, brick walls, artists, Vivaldi, squares, trees, violence, egos. There are also 4 simple and fun recipes. REVIEWS: ..".refreshing new idea, novel idea, highly creative, fun. The students think it makes a great gift for their parents."--Richard Clatworthy, Trade Books Mgr, Leavey Ctr Bookstore, Georgetown Univ, Wash. Children Learn Business - Children Learn Business 2015-10-24

The most successful professionals starting learning business concepts at a very early age. Having these childhood experiences proved most valuable as adults. They grew up and entered the workforce leagues ahead of their peers in social skills, communication, and business acumen. Children are quick to learn from others and adapt to their environment, more so than any other age. Knowing this, we must ask ourselves an important question. If the best time to learn is during childhood, why there is a significant lack of business education tailored

for children? Millions of children's books are available for sale, however they are written on tales of a fantasy world where animals can speak,

everyone is free from responsibility, and there is no conflict. As expected, these books add no value to a child's development and may even paint an unrealistic viewpoint of the world.
