Mummy Bear and Daddy Bear

must set about reassuring their three little bears - who are all different - that each one of them is equally special and equally loved.

Based on a True Story - Norm Macdonald 2016-09-20

NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, “Call it anything you damn like.” *Our Subway Baby* - Peter Mercurio 2020-09-15

This gentle and incredibly poignant picture book tells the true story of how one baby found his home.

"Some babies are born into their families. Some are adopted. This is the story of how one baby found his family in the New York City subway." So begins the true story of Kevin and how he found his Daddy Danny and Papa Pete. Written in a direct address to his son, Pete's moving and emotional text tells how his partner, Danny, found a baby tucked away in the corner of a subway station on his way home from work one day. Pete and Danny ended up adopting the baby together. Although neither of them had prepared for the prospect of parenthood, they are reminded, "Where there is love, anything is possible."

The Baby Shower - S.E. Lynes 2022-03-01

She doesn't know I'm there, watching her in the mirror. She slides her hand under her blouse. And then I see something impossible. She isn't pregnant... She bursts into my life like a storm, and nothing is the same again. She seems so perfect, with her lilting laugh and her beautiful face. One by one, I watch as my friends fall under her spell. Only I seem to suspect something. Only I see that her smiles don't reach her cold, furious eyes. And when I'm accused of things I didn't do, when my home is vandalized, I know she's behind it. But she only lets her mask slip when no one is looking, so if I say anything, I'll look crazy. So when the baby shower comes around I'm there, sitting on a velvet sofa in a posh hotel room, surrounded by balloons. We share gifts, we pour small glasses of champagne, and she beams, her bump just visible under her bright red shirt. But that afternoon, I finally learn the unbelievable truth. There is no baby... A stunningly twisty story of toxic female friendships, guilt and lies from S.E. Lynes, author of the no.1 bestseller *The Housewarming*. If you like Lisa Jewell, Gillian Flynn and Paula Hawkins, you'll be glued to *The Baby Shower*. Everyone's loving *The Baby Shower*: 'Omg!! This book is just everything!!!... had me hooked from the off and I was about to quit my job just so I could keep reading... omg, boy does this story have TWISTS!!!!... I raced through it in a day.' NetGalley reviewer, [redacted] 'Sucker punched, lost for words, blown away, a blabbering, gibbering emotional wreck!... seriously, once you turn the first page you will not be able to stop!... It kept me glued to the pages... you seriously DO NOT WANT TO MISS IT!' Chapter in My Life, [redacted] 'This book. THIS BOOK!... It hooks you in with the twists and keeps you reading. I couldn't put it down, obligations be damned.' NetGalley reviewer, [redacted] 'Amazing... another 5 star read!... an impossible book to put down... just perfect.' Goodreads reviewer, [redacted] 'Wow!!! What a brilliant

rollercoaster read... I literally could not put this book down, the story just kept grabbing my attention... I loved it!! NetGalley reviewer, [REDACTED] 'What. A. Book... I couldn't put it down. I went down a rabbit hole of twists and turns at every corner.' Goodreads reviewer, [REDACTED] 'I foolishly started this this on Wednesday night planning to read a few chapters, I should have known that with this author sleep was never going to happen... seriously outstanding book - unreserved 5 stars, I'd give it a million if I could.' Goodreads reviewer, [REDACTED] 'I read this in half a day... I absolutely loved it!' NetGalley reviewer, [REDACTED] 'Wow!... amazing book!... I read this in one sitting while daughter was at school! I was riveted by this book right from the first chapter so entirely and only left the settee to make a few cups of tea!' NetGalley reviewer, [REDACTED] 'Amazing!! I loved this book from start to finish!... My heart was thumping as I read this book and tried to work out the twists... A real page-turner, read it now!' Goodreads reviewer, [REDACTED] 'Absolutely fantastic. I was on the edge of my seat throughout... it will really make your heart pound with suspense. I seriously couldn't put this down!' Jessica's Book Biz, [REDACTED] 'I could not put this book down! I devoured it... I would give this more than 5 stars if I could!' NetGalley reviewer, [REDACTED]

[How to Raise Kids Who Aren't Assholes](#) - Melinda Wenner Moyer 2022-06-21

How to Raise Kids Who Aren't Assholes is a clear, actionable, sometimes humorous (but always science-based) guide for parents on how to shape their kids into honest, kind, generous, confident, independent, and resilient people...who just might save the world one day. As an award-winning science journalist, Melinda Wenner Moyer was regularly asked to investigate and address all kinds of parenting questions: how to potty train, when and whether to get vaccines, and how to help kids sleep through the night. But as Melinda's children grew, she found that one huge area was ignored in the realm of parenting advice: how do we make sure our kids don't grow up to be assholes? On social media, in the news, and from the highest levels of government, kids are increasingly getting the message that being selfish, obnoxious and cruel is okay. Hate crimes among children and teens are rising, while compassion among teens has been dropping. We know, of course, that young people have the capacity for great empathy, resilience, and action, and we all want to bring up kids who will help build a better tomorrow. But how do we actually do this? How do we raise children who are kind, considerate, and ethical inside and outside the home, who will grow into adults committed to making the world a better place? How to Raise Kids Who Aren't Assholes is a deeply researched, evidence-based primer that provides a fresh, often surprising perspective on parenting issues, from toddlerhood through the teenage years. First, Melinda outlines the traits we want our children to possess—including honesty, generosity, and antiracism—and then she provides scientifically-based strategies that will help parents instill those characteristics in their kids. Learn how to raise the kind of kids you actually want to hang out with—and who just might save the world.

My Baby Book - Sam McBratney 1998-04

The original family classic is now available in a glorious, full-size hardcover edition just bursting with love. Full color.

My special little squeakheart, A step above the rest.

American Baby - Gabrielle Glaser 2022-01-25

A New York Times Notable Book The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other. "[T]his book about the past might foreshadow a coming shift in the future... 'I don't think any legislators in those states who are anti-abortion are actually thinking, "Oh, great, these single women are gonna raise

more children." No, their hope is that those children will be placed for adoption. But is that the reality? I doubt it.'"[says Glaser]" -Mother Jones During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, where social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. The adoption business was founded on secrecy and lies. American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever. Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific "assessments," and shamed millions of women into surrendering their children. The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files. Gabrielle Glaser dramatically illustrates in Margaret and David's tale—one they share with millions of Americans—a story of loss, love, and the search for identity.

Violence Against LGBTQ+ Persons - Emily M. Lund 2020-11-09

As violence against LGBTQ+ persons continues to be a pervasive and serious problem, this book aims to inform mental health providers about the unique needs of LGBTQ+ survivors of interpersonal and structural violence. Individual chapters analyze unique aspects of violence against specific subpopulations of LGBTQ+ persons in order to avoid ineffective and sometimes simplistic one-size-fits-all treatment strategies. Among the topics covered: Macro Level Advocacy for Mental Health Professionals: Promoting Social Justice for LGBTQ+ Survivors of Interpersonal Violence Intimate Partner Violence in Women's Same-Sex Relationships Violence Against Asexual Persons Invisibility and Trauma in the Intersex Community Sexual and Gender Minority Refugees and Asylum Seekers: An Arduous Journey Sexual and Gender Minority Marginalization in Military Contexts Navigating Potentially Traumatic Conservative Religious Environments as a Sexual/Gender Minority Violence Against LGBTQ+ Persons prepares mental health professionals for addressing internalized forms of prejudice and oppression that exacerbate the trauma of the survivor, in order to facilitate healing, empowerment, healthy relationships, and resilience at the intersection of sexual orientation, gender identity, gender expression, and diverse social locations. This is a valuable reference for psychologists, social workers, counselors, nurses, mental health professionals, and graduate students, regardless of whether they are preparing for general practice, treatment of LGBTQ+ clients, or treatment of survivors and perpetrators of various forms of violence.

[Mama Loves You So](#) - Terry Pierce 2017-03-14

With lilting lullaby text and lovely illustrations, the New Books for Newborns stories are the perfect first books for new parents to share with their little ones right from the start! Start here. Just You and Me - Sam McBratney 2003

As a storm approaches, Little Goosey and Big Gander Goose join other animals in searching for a place to hide.

Mindi and the Goose No One Else Could See - Sam McBratney 2021

A charming new story from the author of *Guess How Much I Love You* offers an original--and heartening--take on childhood anxiety. Once there was a girl called Mindi who was afraid of something that no one else could see. This thing that she was afraid of, this thing that no one else could see, was a big goose. It came

into her room as quietly as a thought comes into your head. . . . When a little girl named Mindi says she is being visited by a big goose—a scary creature that is visible only to her—her devoted dad and mom try everything they can think of to drive it away. But maybe some outside assistance is warranted from their wise friend Austen, a farmer who knows what is needed to help Mindi turn her mind to something new. In a sensitive exploration of childhood fears, Sam McBratney, the author of *Guess How Much I Love You*, narrates with charm, wit, and a touch of whimsy, while Linda Ólafsdóttir's delicate illustrations enhance the modern fairy-tale feel in a story that is sure to become a bedtime favorite.

Little Chick - Amy Hest 2010-02-01

How Little Chick longs for her carrot to grow tall, for her kite to fly high, to be able to reach up & take her star from the sky. But her carrot is small, her kite bobs along on the ground & she can't reach her star.

Sometimes things just don't turn out quite the way you want them to.

How People Learn - National Research Council 2000-08-11

First released in the Spring of 1999, *How People Learn* has been expanded to show how the theories and insights from the original book can translate into actions and practice, now making a real connection between classroom activities and learning behavior. This edition includes far-reaching suggestions for research that could increase the impact that classroom teaching has on actual learning. Like the original edition, this book offers exciting new research about the mind and the brain that provides answers to a number of compelling questions. When do infants begin to learn? How do experts learn and how is this different from non-experts? What can teachers and schools do—with curricula, classroom settings, and teaching methods—to help children learn most effectively? New evidence from many branches of science has significantly added to our understanding of what it means to know, from the neural processes that occur during learning to the influence of culture on what people see and absorb. *How People Learn* examines these findings and their implications for what we teach, how we teach it, and how we assess what our children learn. The book uses exemplary teaching to illustrate how approaches based on what we now know result in in-depth learning. This new knowledge calls into question concepts and practices firmly entrenched in our current education system. Topics include: How learning actually changes the physical structure of the brain. How existing knowledge affects what people notice and how they learn. What the thought processes of experts tell us about how to teach. The amazing learning potential of infants. The relationship of classroom learning and everyday settings of community and workplace. Learning needs and opportunities for teachers. A realistic look at the role of technology in education.

Disney Baby Moo Moo, Guess Who? - Sally Little 2019-01-15

Say hi to Mickey and all his farm friends as babies and toddlers are introduced to a variety of animal sounds

and colors in this sweet rhyming board book! Which friendly farm animals are making those sounds on Mickey's Farm? Little ones will learn cute animal sounds and primary colors in this adorable rhyming book with giant lift-the-flap reveals from the barn to the pond.

Indestructibles: Baby Faces - Amy Pixton 2012-05-22

Indestructibles are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it—gumming, spilling, dragging across the floor—Indestructibles are the little books that could. They're indestructible. And if they get dirty, just throw them in the washing machine or dishwasher. *Baby Faces* features baby's favorite thing: pictures of other babies. It's a book for parents and children to share together the many moods of a baby.

The Nowhere Child - Christian White 2019-01-22

"A nervy, soulful, genuinely surprising it-could-happen-to-you thriller — a book to make you peer over your shoulder for days afterwards."—A.J. Finn, New York Times bestselling author of *The Woman in the Window* Winner of the Victorian Premier's Literary Award, *The Nowhere Child* is screenwriter Christian White's internationally bestselling debut thriller of psychological suspense about a woman uncovering devastating secrets about her family—and her very identity... Kimberly Leamy is a photography teacher in Melbourne, Australia. Twenty-six years earlier, Sammy Went, a two-year old girl vanished from her home in Manson, Kentucky. An American accountant who contacts Kim is convinced she was that child, kidnapped just after her birthday. She cannot believe the woman who raised her, a loving social worker who died of cancer four years ago, crossed international lines to steal a toddler. On April 3rd, 1990, Jack and Molly Went's daughter Sammy disappeared from the inside their Kentucky home. Already estranged since the girl's birth, the couple drifted further apart as time passed. Jack did his best to raise and protect his other daughter and son while Molly found solace in her faith. The Church of the Light Within, a Pentecostal fundamentalist group who handle poisonous snakes as part of their worship, provided that faith. Without Sammy, the Wents eventually fell apart. Now, with proof that she and Sammy are in fact the same person, Kim travels to America to reunite with a family she never knew she had. And to solve the mystery of her abduction—a mystery that will take her deep into the dark heart of religious fanaticism where she must fight for her life against those determined to save her soul...

Baby Daddy - Kendall Ryan 2018-02-27

A hot and hilarious new standalone from New York Times bestseller Kendall Ryan. We met in a trapped elevator. Emmett was on his way to work, sophisticated and handsome in his tailored suit and tie. I was on my way to the sperm bank. Awkward, right? At thirty-five, my life hadn't taken the path I thought it would and I was tired of waiting—I wanted a baby. And I was ready to take matters into my own hands to make it happen. After our ill-fated elevator encounter, Emmett insisted on taking me to dinner—he also insisted on something else—that I ditch my plan involving a turkey baster and let him do the job. He would be my baby daddy. He was a wealthy and powerful CEO with little interest in diapers or playdates. And since he didn't want kids, I'd be on my own once his bun was in my oven, free to go my own way. But once his baby was inside me, it was like a switch had been flipped, and I got a whole lot more than I ever bargained for. This full-length standalone contains a hot, swoonworthy hero, lots of playful banter and some hot baby-making! Enjoy.

Guess How Much I Love You: Counting - Sam McBratney 2013-01-01

Count from one to five with curious Little Nutbrown Hare as he explores the world around him with wise Big Nutbrown Hare. See and feel dandelions, frogs, butterflies, leaves and bedtime stars.

Baby Sign Language - Diane Ryan 2021-08-10

Teach your baby how to communicate without words. Your baby has many wants and needs. Some you can figure out. Others need a little more patience. While your baby learns to make their requests verbally, you can teach them gestures and signs that will help bridge the gap of understanding. *Baby Sign Language* offers the tools and techniques you need to teach sign language to your baby. As a parent, you might have concerns about speech and language delays. Or you might be concerned that your baby hasn't started talking yet. *Baby sign language* is something that can promote early speech as well as speech development. This can be especially important for a baby diagnosed with autism or other language issues. This revised

edition includes these features: -150 illustrations of popular signs to teach your baby -An express program for quicker results -Games and activities to make signing more fun -Expert advice on speech and language development Signing with your baby not only results in a happier and less frustrated child, but research also shows that learning sign language could help a child speak earlier and develop a higher IQ.

Hike It Baby - Shanti Hodges 2018-06-01

New parents and parents of toddlers face unique challenges when it comes to planning outdoor trips. "Family-friendly trail" is often a misleading phrase, and doesn't take young children under the age of 5 into consideration, whose safety and comfort require a different perspective. The unpredictable nature of little ones leads many parents to put their adventure dreams on the back burner, missing out on years of meaningful experiences as a family. Hike it Baby presents 100 outdoor adventures across the U.S. that you can take with babies and toddlers (really!), along with everything you need to know about exploring the natural world. Sourced from real families using Hike it Baby's trail-tested system, this book helps moms and dads get out there in their comfort zone, yet feel like hardcore adventurers! Whether you've always wanted to hike part of the Appalachian Trail, splash around in gentle Northwest waterfalls, or scramble up rocks in the desert surrounded by Joshua Trees, this book shows you how to plan a truly memorable journey together.

This Is How It Always Is - Laurie Frankel 2017-01-24

"This is Claude. He's five years old, the youngest of five brothers. He also loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess. When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes."--

Guess the Baby - Simon French 2002

When Sam brings his baby brother to school for Show and Tell, it provides Mr. Judd with an opportunity to teach the class some things about babies, including that even grown-ups were babies once.

Guess Who Loves Blue! - Deborah Reber 2001

Valentine's Day has arrived and Blue is excited about celebrating it with her two friends, Magenta and Periwinkle, in a boldly illustrated board book featuring the popular television characters.

You're All My Favorites - Sam McBratney 2013-03-26

Mommy and Daddy Bear convince three worried cubs that there's plenty of love to go around in this comforting new tale from the incomparable team of Sam McBratney and Anita Jeram. Features an audio read-along performed by the author! Every night, while tucking in their three cubs, Mommy and Daddy Bear tell them they're the most wonderful baby bears in the whole wide world. But one day the three little bears start to wonder: How do Mommy and Daddy know this is true? And even more worrisome to each sibling: What if my parents like my brother or sister better than me? From the team who brought us the beloved Big and Little Nutbrown Hare comes a tale that answers a timeless question with the ultimate reassurance — and offers the perfect way for parents to remind their own little cubs how very much each one is loved.

Disney It's A Small World: Guess Who! - Disney Books 2015-05-26

Read along with Disney! Young ones will love seeing the elephants in India, sea turtles in Hawaii, pandas in China, and more! The book includes all-new artwork that's colorful, modern, and inspired by Mary Blair's designs for the famous Disney theme parks attraction, "It's a Small World"!

Room - Emma Donoghue 2017-05-07

Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor's garden for seven years. Her five year old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma's games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

Guess Who, Baby Duck! - Amy Hest 2004

On a rainy day when Baby Duck is sick with a cold, her grandfather cheers her up by showing her family photographs. Children's BOMC.
