**Making the Grand Figure** - Toby Christopher Barnard 2004-01-01

"Through such everyday articles as linen shirts, wigs, silver teaspoons, pottery plates and engravings, Barnard evokes a striking variety of lives and attitudes. Possessions, he shows, even horses and dogs, highlighted and widened divisions, not only between rich and poor, women and men, but also between Irish Catholics and the Protestant settlers. Displaying fresh evidence and unexpected perspectives, the book throws new light on Ireland during a formative period. Its discoveries, set within the context of the 'consumer revolution' gripping Europe and North America, allow Ireland for the first time to be integrated into discussions of the pleasures and pains of consumerism."--BOOK JACKET.

Adolescence and Body Image - Lina A

Ricciardelli 2015-11-19

Body image is a significant issue for the majority of adolescents. Anxieties relating to body image can be crippling across both genders, their debilitating effects sometimes leading to mental health problems. This important book is the first of its kind to focus specifically on adolescents, providing a comprehensive overview of the biological, psychological and socio-cultural factors relating to the development of body image. It also provides a detailed review of the measures which can be taken to address body dissatisfaction. Discussing the role of culture, family, peers, schools, sport and media in stimulating a negative body image, the book also examines the different challenges faced by girls and boys as they grow. Eating disorders and body change strategies are also addressed, as well as the challenges faced by youngsters affected by conditions causing visible differences, such as hair loss in cancer patients. The book also presents original research, including the results from a large Australian study of the body image and associated health behaviours of adolescent boys, and the results of a study of current teaching practices relating to body image. Adolescence and Body Image will be ideal reading for students and researchers from a variety of fields, including developmental, health, and social psychology, sociology, and cultural and health studies. Professionals working with young

people, whether in education, health promotion or any other allied discipline will also find this book an invaluable resource.

**Erin's Diary: An Official Derry Girls Book** - Lisa McGee 2020-11-12

Set in Derry, Northern Ireland in the 1990s, Derry Girls is a candid, one-of-a-kind comedy about what it's like to be a teenage girl living amongst conflict. It's a time of armed police in armoured Land Rovers and British Army check points. But it's also the time of Murder She Wrote, The Cranberries, Salt-N-Pepa, Doc Martens and The X Files. And while The Troubles may hang over her hometown, Erin has troubles of her own, like the fact that the boy she's in love with (actually in LOVE with) doesn't know she exists. Or that her Ma and Aunt Sarah make her include her weirdo cousin Orla in everything she does. Or that head teacher Sister Michael refuses to acknowledge Erin as a literary genius. Not to mention the fact that her second best friend has ALMOST had sex, whereas Erin's never even kissed anyone yet. These are Erin's Troubles. Described by the Guardian as 'daft, profane and absolutely brilliant', by the New Statesman as 'pitch-perfect' and by i-D as 'the greatest show on British (and Irish) TV', Derry Girls has dazzled audiences, with Channel 4's biggest UK comedy launch since 2004 and the biggest television series in Northern Ireland since modern records began. Now, alongside the third series, comes the first official tie-in. With Erin's inner take on everything that has happened so far, this book will both dive deeper into the events we have seen unfold on the screen and unveil brand new stories. Complete with newspaper clippings, doodles, school reports, handwritten notes, and much much more, Erin's Diary is a must-have for fans.

Christian Paths to Health and Wellness - Peter Walters 2020-06-09

God created people to be well in body, mind, and spirit—a unified and healthy whole. Christian Paths to Health and Wellness, Third Edition, helps undergraduate students explore key topics that affect their health and well-being and apply what they learn to their daily lives. This updated text examines wellness from a holistic perspective, delving into how students can thrive in body, mind, and spirit. Students will learn how to more fully understand God, themselves,

and their purpose in life; have strong and healthy relationships with others; develop cardiorespiratory fitness, muscular fitness, and flexibility and mobility; have a healthy attitude toward their bodies, eat well, and manage weight properly; understand and apply good sleep hygiene to maximize alertness; and adopt emotionally healthy habits and deal with stress in a constructive way. All of this material is based on current research and is delivered through a faith-based perspective that will help students apply aspects of behavior modification as they learn how to take charge of the health of their bodies, minds, and spirits. Written by highly respected Christian academics, the text includes chapter objectives, a glossary that defines key terms from each chapter, and easy-to-read charts that highlight specific information. This latest edition also features a new web study guide that makes *Christian Paths to Health and Wellness* a particularly valuable and unique resource. For each chapter in the text, the web study guide supplies readers with an introductory self-assessment activity on the chapter's topic; application and learning activities; self-reflection writing prompts to help students process the chapter's content; suggested websites and readings for further exploration of the topic; and an interactive key terms quiz. (The web study guide is included with all new print books and some ebooks. For ebook formats that don't provide access, the web study guide is available separately.) *Christian Paths to Health and Wellness* offers instructors free access to online ancillaries, including an instructor guide, a presentation package, and a test package. "This text," says coauthor Peter Walters, "is a book about accepting our God-given roles and capacities. Then empowered by the Spirit of God, we can make healthy choices regarding our mind, body, and soul. The end result is what ancients called 'the good life,' current academics call 'human flourishing,' and what scriptures call 'shalom'." "Personal wellness is often achieved through mental and physical discipline," adds coauthor John Byl. "However, it is also important to open yourself to the power of God through the Holy Spirit. It is written in Bible that 'the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control'

(Galatians 5:22-23). Ideas related to the fruit of the Spirit have been woven through the text, and a couple of chapters offer brief vignettes on a particular fruit of the Spirit, which demonstrates how the Spirit heals and makes one well."

*Christian Paths to Health and Wellness*, Third Edition, will equip students with the knowledge and tools they need to adopt healthy lifestyles in all aspects of their lives. And that lifestyle will be pleasing to God and help them live out their purpose.

*The SECRET - Book 6: the Outcome* - Katrina Kahler 2019-09-14

Books for Girls 9 - 12... *The Secret - Book 6: The Outcome* Tessa and Tahlia find themselves caught up in a new dilemma, one that they struggle to escape from. The relentless bullying by Marnie and Sienna has led to dire circumstances, and Tessa is at a loss for what to do. Thankfully, Sam agrees to lend a hand, while at the same time, trying to deal with his own problems. Does Sam's dad have a secret agenda? And if so, what is in store for his telekinetic son? Tessa eventually learns who her real friends are and her bond with Sam develops. But are the pair able to achieve what they are hoping for and will things work out for them in the end? *The Outcome* is another fabulous book for girls and a great addition to *The Secret* series, one that all young girls are sure to enjoy!

[Diary of a Super Girl](#) - Katrina Kahler 2017-02-20

"Lia Strong always thought of herself as a normal 12 year old. She had to deal with the ups and downs of middle school. You how it goes ... hanging out with friends, going to LAX practice, doing massive amounts of homework and dealing with mean girls. Everything changed, though, when Lia turned 13! She found out some very special news. She is the latest in a long line of super women. Lia is still a normal girl, only

one with super powers. On the up side, she had the strength of 100 people, but on the down side one of her farts could drop 100 people. Oh the joys of having super powers! A perfect book for girls who love strong female characters. You'll love it!"--page [4] of cover.

**An Only Child's Diary; A Sunny Christmas: A Middle Grade Graphic Novel for Girls 9-12** - Audrey Lavigne 2021-08

A perfect chapter book for middle grade readers dealing with different family life, social and school issues, such as peer pressure, bullies, and friendship. A brilliant realistic fiction for children 9-12 years old facing the challenges of growing up such as different emotions and feelings, new experiences, and building self-esteem and self-respect. Based on a Real Life Story. Alyssa Preston, is an eleven-year-old girl who is growing up on a beautiful island, in the Seychelles, which is one of the smallest countries in the world. Despite being the only child in the family, Alyssa has a best friend who is an imaginary friend, Hope- THE sister that Alyssa has always wished for and the only one she can share her secrets with. However, the only way to ensure that no one hears what she tells Hope, is to write to her in her Diaries. Enjoy the stories of her incredible life, that she shares with Hope. Not only will you be inspired by Alyssa's courage, but you will adore her. This is the second book in the series of An Only Child's Diary. In this second book in the series of An Only Child's Diary, Alyssa turns twelve and celebrates Christmas for the first time in her new home. Sadly, her mother is not feeling too well and she also learns that her best friend might be moving back to U.K before the New Year starts. Find out how this brave girl handles it all. If you missed the first book in the series, A New Life, you're are missing out on how it all started. so, go back and grab it now before you read this second one. Intermediate readers will love this book. Even adults are enjoying it too! so, scroll up and purchase a copy for your daughter, niece, or any other beautiful girls ages 9-12.

Journal of Character Education - Jacques S.

Benninga 2021-04-01

Sample Chapters- FOR THE BETTER, Marvin W Berkowitz, University of Missouri—St. Louis - THE OVERLOOKED INEQUITY, Eric Schaps The Journal of Character Education is the only professional journal in education devoted to character education. It is designed to cover the field—from the latest research to applied best practices. We include original research reports, editorials and conceptual articles by the best minds in our field, reviews of the latest books, and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education. The Journal of Character Education has for over a decade been the sole scholarly journal focused on research, theory, measurement, and practice of character education. In this issue of the Journal of Character Education we return to something foundational and introduce something new. The foundational element is a set of six independent scholarly manuscripts by a mix of emerging and established scholars. We are pleased to introduce a new feature of the Journal of Character Education in this issue, namely a section we are calling simply "Opinion." We began the JCE with an exclusive focus on publishing scholarship because there was no scholarly journal that focused on character education. Over time we realized that we wanted to speak about practice and particularly to practitioners as well. Hence we created a section we call "Voices" to present innovations and perspectives representing the "voices" of exemplary practitioners of character education. Now we introduce the "Opinion" section that will allow us to publish perspectives from leading authorities in the field that might be more provocative. We would love to hear responses to either or both opinion articles and are working on plans to share such responses, perhaps on one of our related websites. At this point, we plan on publishing more opinion articles, and for now, by invitation. However, we are always willing to consider unsolicited articles for possible inclusion in the JCE.

The Absolutely True Diary of a Part-Time Indian - Sherman Alexie 2012-01-10  
Bestselling author Sherman Alexie tells the story

of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot.

Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.
