**Stuff You Should Know** - Josh Clark

2020-11-24

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive

natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

**Eight Dates** - John Gottman 2019-02-05

Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, *Eight Dates* offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice- the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and

simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

*Grace Like Scarlett* - Adriel Booker 2018-05-01

Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical resources, such as ways to help guide children through grief, suggestions

for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.

*Parenting with the Spirit* - Marlene R. Ellingson 2018-08-14

**The Buy Side** - Turney Duff 2013-06-04  
NEW YORK TIMES BESTSELLER • A former Galleon Group trader portrays an after-hours Wall Street culture where drugs and sex are rampant and billions in trading commissions flow to those who dangle the most enticements. A remarkable writing debut, filled with indelible moments, *The Buy Side* shows as no book ever has the rewards—and dizzying temptations—of making a living on the Street. Growing up in the 1980's Turney Duff was your average kid from Kennebunk, Maine, eager to expand his horizons. After trying - and failing - to land a job as a journalist, he secured a trainee position at Morgan Stanley and got his first feel for the pecking order that exists in the trading pits. Those on the “buy side,” the traders who make large bets on whether a stock will rise or fall, are the “alphas” and those on the “sell side,” the brokers who handle their business, are eager to please. How eager to please was brought home stunningly to Turney in 1999 when he arrived at

the Galleon Group, a colossal hedge-fund management firm run by secretive founder Raj Rajaratnam. Finally in a position to trade on his own, Turney was encouraged to socialize with the sell side and siphon from his new broker friends as much information as possible. Soon he was not just vacuuming up valuable tips but also being lured into a variety of hedonistic pursuits. Naïve enough to believe he could keep up the lifestyle without paying a price, he managed to keep an eye on his buy-and-sell charts and, meanwhile, pondered the strange goings on at Galleon, where tens of millions were being made each week in sometimes mysterious ways. At his next positions, at Argus Partners and J.L. Berkowitz, Turney climbed to even higher heights - and, as it turned out, plummeted to even lower depths - as, by day, he solidified his reputation one of the Street's most powerful healthcare traders, and by night, he blazed a path through the city's nightclubs, showing off his social genius and voraciously inhaling any

drug that would fill the void he felt inside. A mesmerizingly immersive journey through Wall Street's first millennial decade, and a poignant self portrait by a young man who surely would have destroyed himself were it not for his decision to walk away from a seven-figure annual income, *The Buy Side* is one of the best coming-of-age-on-the-Street books ever written.

*Angel Birthdays* - Erin Garay 2013-10-01

**Fair Play** - Eve Rodsky 2021-01-05

AN INSTANT NEW YORK TIMES BESTSELLER  
A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a

[How to Celebrate Everything](#) - Jenny

Rosenstrach 2016-09-20

A New York Times Best Cookbook of Fall 2016 • A warm and inviting guide to turning birthdays, holidays, and everyday occasions into cherished traditions, with more than 100 time-tested recipes—from the creator of the popular blog and book *Dinner: A Love Story* and author of the New York Times bestseller *Dinner: The Playbook* “Families crave rituals,” says Jenny Rosenstrach, and by rituals she means not just the big celebrations—Valentine’s Day dinners, Mother’s Day brunches, Halloween send-offs, Thanksgiving feasts, holiday cocktail parties—but the little ones we may not even realize are rituals: a platter of deluxe nachos on Super Bowl Sunday, or a bowl of creamy mashed potatoes after every braces-tightening session. Whether simple or elaborate, daily or annual,

these rituals all serve the same purpose for Rosenstrach: to bring comfort, connection, and meaning to every day. 100+ recipes, including: • popovers, apple fritters, and golden pancakes, perfect for sleepover mornings or birthday breakfasts • “Interfaith Sliders”: one version with ham and another with brisket • Rosenstrach’s legendary chocolate Mud Cake—plus an entire section on birthdays, including a one-size-fits-all party planner that does not rely on pizza • complete menus for Thanksgiving, Christmas, and New Year’s Eve • and, of course, dozens of Rosenstrach’s signature family dinners: Grilled Soy-Glazed Pork Chops, Harissa Roasted Chicken, Crispy Chickpeas with Yogurt Sauce and Naan, Grilled Spicy Shrimp Tacos with Avocado Butter and Summer Cabbage, and more In this digital, overscheduled age, *How to Celebrate Everything* helps families slow down, capture the moments that matter—and eat well while doing it. Praise for *How to Celebrate Everything* “I have been an

ardent fan of Jenny Rosenstrach's beautiful writing for years. I always know that every word of her books will be something to savor, and How to Celebrate Everything will strike a chord with anyone who enjoys family, friends, and delicious food."—Ree Drummond, New York Times bestselling author of The Pioneer Woman Cooks "Enjoy How to Celebrate Everything for the easy-to-follow recipes. But even more satisfying are the wonderful anecdotes of family life and [Jenny Rosenstrach's] genial examination of the lasting role that food plays in our lives beyond the plate."—Family Circle (September "What We're Reading" Pick) "With characteristic warmth and humor, [Rosenstrach] urges readers to ritualize and celebrate the small moments in family life by sharing stories from her own. . . . Rosenstrach is a skilled storyteller and introduces each occasion with an engaging essay before offering up the much-loved recipes that inspired it. . . . A delicious and delightful ode to the ways family and food

intertwine, reinforcing each other."—Booklist "Featured recipes are proven kid friendly and presented with humorous mommy angst and nostalgic commentary . . . Rosenstrach inspires, reminding us that the real celebration is family itself."—Publishers Weekly "This well-designed cookbook comes with a side helping of lifestyle inspiration."—Library Journal
