**Comics Unmasked** - Paul Gravett 2014

It's simple—comics are fun. Whether fifteen or fifty, we love sitting down with a comic book, losing ourselves in a universe filled with wonder and excitement. But comics offer much more than meets the eye, and in *Comics Unmasked*, Paul Gravett and John Harris Dunning look beyond the notion of comics as pleasure reading to focus on their inherently anarchic nature. Gravett and Dunning have combed the British Library's extensive comic collection not only to explore the full potential of the medium but also to single out the critical points in history in which the art form challenged the status quo. Featuring newly discovered Victorian comics alongside some of the biggest names in comics today, including

Alan Moore (*Watchmen*, *V for Vendetta*), Neil Gaiman (*Sandman*), Mark Millar (*Kick-Ass*), and Grant Morrison (*Batman: Arkham Asylum*), *Comics Unmasked* explores the political and social issues raised by British comics and their creators over the last century, from violence and drugs to class and sexuality. Published to accompany a British Library exhibition that will be the United Kingdom's largest exhibit of British comics to date, *Comics Unmasked* will delight comics enthusiasts around the world, offering them the chance to discover a different—perhaps darker side—of the medium.

*The Best of the Victor* - Morris Heggie 2010-10-01

2011 is the fiftieth anniversary year of "The Victor" comic, Britain's "top boys' paper for War, Sport and Adventure." Following 2010's successful publication of "The Best of the Victor," Prion's sequel is this rip-roaring anthology of the best stories from "The Victor Book for Boys," which was the bestselling DC Thomson annual published from 1964 to 1994. In its heyday in the 1960s "The Victor" comic sold over half a million copies a week, with "The Victor Book for Boys" selling over a quarter of a million copies a year.

Critical Directions in Comics Studies - Thomas Giddens 2020-09-15

Contributions by Paul Fisher Davies, Lisa DeTora, Yasemin J. Erden, Adam Gearey, Thomas Giddens, Peter Goodrich, Maggie Gray, Matthew J. A. Green, Vladislav Maksimov, Timothy D. Peters, Christopher Pizzino, Nicola Streeten, and Lydia Wysocki Recent decades have seen comics studies blossom, but within the ecosystems of this growth, dominant assumptions have taken root—assumptions around the particular methods used to approach the comics form, the ways we should read comics, how its “system” works, and the disciplinary relationships that surround this evolving area of study. But other perspectives have also begun to flourish. These approaches question the reliance on structural linguistics and the tools of English and cultural studies in the examination and understanding of comics. In this edited collection, scholars from a variety of disciplines examine comics by addressing materiality and form as well as the wider economic and political contexts of comics’ creation and reception. Through this lens, influenced by poststructuralist theories, contributors explore and elaborate other possibilities for working with comics as a critical resource, consolidating the emergence of these alternative modes of engagement in a single text. This opens comics studies to a wider array of resources, perspectives, and modes of engagement. Included in this volume are essays on a range of comics and illustrations as well as considerations of such popular comics as Deadpool, Daredevil, and V for Vendetta, and analyses of comics production, medical illustrations, and original comics. Some contributions even unfold in the form of comics panels.

[Football's Comic Book Heroes](#) - Adam Riches 2009

Ever since comics for boys were first published in the late nineteenth century, they have offered their readers fun, adventure and escapism. As participation and attendance at sports events rose dramatically during the first half of the twentieth century, boys' comics began to regularly feature sportsmen of all types, and footballers became the ultimate favourite. The introduction of football comics presented in a cartoon-strip format became immensely popular during the 1960s, with *Rover*, *Hotspur* and *Wizard* amongst the top titles. Although these comics are no longer in circulation, there is still a significant level of interest amongst boys and men of all ages, and the culture of the comic-book hero continues. Renowned publisher D.C. Thomson has delved into its archives to produce the definitive document of the most legendary footballing characters to grace the pages of boys' comics, including such favourites as *Limp Along Leslie*, *Roy Race*, *Billy Dane* and *Hotshot Hamish*. Extensively researched to cover the history and the storylines associated with these comics and their heroes, *The Ultimate Fantasy Football Team* is a unique, nostalgic account of the football comic-book phenomenon that will jog the memories of older readers and introduce the magic of these imaginary sporting stars to a new generation.

**The History of The Beano** - D. C. Thomson 2008

The first issue of *The Beano* was published on July 30th 1938. This is the first-ever history of the best-known British comic of all time, reflecting on 70 memorable years. The book tracks the evolution of *The Beano*, decade by decade, from the period leading up to its launch *The Beano* at war, the fabulous fifties right through to the present day: an extensive in-depth look at the development, rise and enduring success of the most influential British comic of all time. The book includes a facsimile of the original 28-page issue, entitled *The Beano Comic*, featuring *Eggo the Ostrich* on the cover, and showing the full text and traditional narrative under picture style stories and the introduction of the speech balloons only format. *The History Of The Beano*, published during the 70th anniversary of the creation of the comic, has an insiders view, with previously unpublished material. It charts all the characters who have appeared over the years, as well as the editors, artists and writers past and present who have contributed to this great comic institution. *Reg Carters Big Eggo* was on the very first cover, and remained there for 10

years to be replaced by Biffo the Bear. Lord Snooty, created by Dudley Watkins, and Pansy Potter played their part in the war effort along with Musso the Wop and Winken & Blinken, created by artist Sam Fair. Dennis the Menace arrived in March 1951, closely followed by Ken Reids Roger the Dodger in 1953. This is a history which will bring back many memories. The Beano has touched every boy and girl growing up in the UK and many overseas readers, who will remember Tom Thumb, Jonah, Little Plum, The Bash Street Kids (which started out as When The Bell Rings), Minnie the Minx, Jimmy and His Magic Patch, Strang the

Terrible, General Jumbo, Billy Whizz, Billy the Cat, Ivy the Terrible, Calamity James, and many, many more. Terrible, Calamity James, and many, many more.
